P.S.S. Board Becomes Embroiled In Hectic And Lengthy Meeting

A Gazette reporter turned up for last Thursday evening's meeting of the St. Albert Preventive Social Services Board. There was some discussion as to whether the meeting was open to the press, in view of the fact that only regular meetings are open. Chairman Gaunce said that while the meeting had been called as an extension to a regular meeting, there were some new items added to the agenda. Mrs. Munro felt that the meeting scheduled for 8 a.m. with the Day Care and Help Society board members should be in camera.

Marg Davis reminded Ron Gaunce that he was supposed to have arranged a meeting including one or more of the new Board members, which wasn't done, and "as I see this joint meeting with the Day Care and Help Society, it is just another attempt to jettison part of our executive." Mr. Gaunce replied that he was unable to get the members together, and said his major concern was the sort of relationships we have - which are not what they should be - and we hope to improve them and to improve communications."

"Jettison," was the word

said Mrs. Davis - and you've had three attempts at that one." "I don't make any judgements at this time," replied Mr. Gaunce. "We are dealing as one board with two others, and we should be free to talk to each other. Mrs. Sibbe said she felt she was the member that would come under attack, and she had no objections to the press remaining for the joint meeting. Vote went 4 - 3 to hold part of the meeting on camera. Davis, Sibbe and Ray Gibbon opposed, chairman not voting.

Present at the meeting were members Gloria Stacey, Hennie Sibbe, Marg Davis, Ron Gaunce, Dave Thomas, Rich Bailey, Barbara Munro and Mayor Gibbon. Bob Myrthue, Sgt. Jack Roy and Councillor de Bruijn (and his alternate Bob Hudson) were absent. Director Mona Acker also attended.

The meeting next considered item one, Director's Report. Mrs. Acker advised that a request from the west end office of the Provincial Health and Social Development was agreed with a request for a minimal number of social workers for work here. She also reported that the Provincial Volunteer Action Centre has been discontinued due to lack of interest.

A request that a circular on the Single Parents group be distributed with town

Quintals In Rescue Of Accident Victims

Pearl Quintal had an unnerving experience early Saturday evening, when she answered her door bell to find a near-frozen young man leaning there. "He looked like a figure in a wax museum," said Pearl. "He must have leaned against the bell because his hands were frozen stiff with fingers in a spread position." He was wearing only slacks, shirt and sweater - no cap or coat, no gloves or boots.

She let out a yell for Peewee and he got the poor fellow into the house while he kept muttering "my friend - my friend." So Peewee went out and followed the tracks in the snow leading to the river behind the house. As he went along

Peewee could see where the man had fallen several times.

The tracks led him down the bank, across the river and he found the second man sprawled face down in the snow on the far bank. With a great deal of difficulty, Peewee managed to get the man, who could barely walk even, leaning on Peewee, who was half carrying him.

Back at the house Pearl telephoned the hospital for instructions, and was told not to expose them for long to a different temperature, and to get them to hospital as quickly as possible. Peewee and his brother Chief took them in and assisted

Local Nurses Please Note

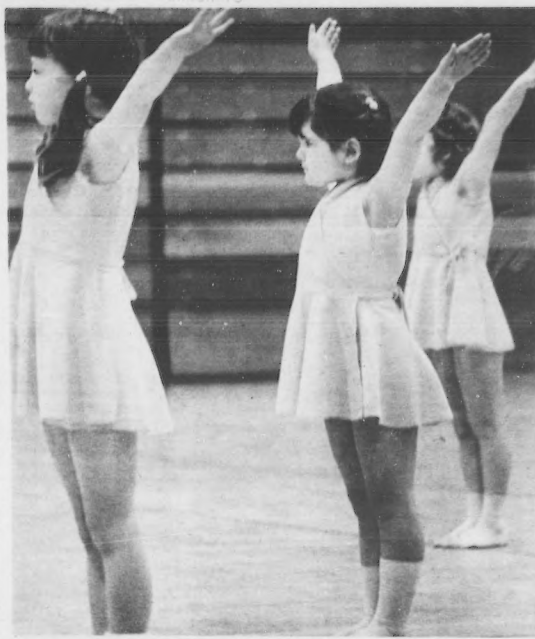

The St. Albert Chapter of the AARN had a representative, Mrs. Val Thibert, at the last meeting of the AARN North Central District executive meeting. The focus of the meeting was on the changes that may occur in February in the nurses registration act.

An important meeting is being held this Friday, Jan. 12th at 7:30 p.m. in the Glenrose Hospital auditorium to inform nurses of the proposed changes in the nurses registration act.

The St. Albert Chapter wishes to encourage all nurses to attend this meeting and would suggest the reading of the September, October and November AARN Newsletters as preparation. The chapter is arranging a car pool and anyone interested can phone Marion Unger at 599-3816.

It was a happy and proud den of Lions that welcomed District Governor Rock Holman Tuesday morning at The Dude for breakfast. Lion Rock Holman, a distinguished local resident was making his official visitation to the Breakfast Club as District Governor of District 37B Lions International. Following a brief but stimulating talk, District Governor Holman accepts a firm handshake from Breakfast Lion President Stan Shottland

"Physical Culture" is a combination of creative dance, free movement and rhythmic movement. A demonstration will be given by Margaret Thomson and her pupils of this particular form of exercise in Vital Grandin School on Thursday, January 25 at 7 p.m. Above is a picture showing some five, six and seven year olds going through one of their routines.

Cr. Bakker Stomps Out Of Emergency Council

"You have changed your mind on the snowmobile issue!" Councillor Bakker charged one of the councillors Monday night at the committee meeting, "and your nothing but a coward."

A heated exchange between Councillor John Bakker, a noted crusader against snowmobiling in town, and the remainder of council, which turned Monday's committee meeting into a hot and highly irregular encounter. Hostility grew by the minute as the abrasive debate on snowmobiling unfolded.

The issue got off the ground last Monday, January

2 when the St. Albert Snowmobile group presented a prepared brief at the regular meeting of council which, in essence, sought council's approval to leave the snowmobile bylaw as is and give the Snowmobile Association a chance to implement a multi-pronged program which promises to improve and regulate snowmobiling in St. Albert.

At the January 2 regular meeting of council, the snowmobile bylaw failed to receive ratification by a squeaky 3 - 3 tie vote. This turn of events then brought about a motion by Councillor Lukay that the snowmobile

issue be placed as one of the questions on the Jan. 31 byelection ballot. This motion was carried, and the Snowmobile Association assured council that it would slightly revise its brief for presentation at the Jan. 8 committee meeting.

On Monday, at 9:35, the St. Albert Snowmobile Association, represented by six members of the executive, presented their revised brief which met with the approval of the majority of council, but not with Councillor Bakker.

After council had perused the Association's brief, Please turn to page 10

Jamison Urges Support Of River And Park Projects

Speaking to upwards of 60 town and Sturgeon people at the annual meeting Sunday of the Conservative Association, M.L.A. Ernie Jamison enlarged on the government's plan for cleaning up the Sturgeon River, stating at the outset that the projects was continuing as planned.

"At the annual meeting last year, it was because I am so keenly interested in the river development that I asked Mr. Bill Yurko to be our guest. I was aware that more than 67 studies had been done on the Sturgeon, and felt our government should get some action started. So I was delighted when Minister Yurko informed me that his department had allocated \$75,000 to do channel clearing, starting last month," said Mr. Jamison. He went on to tell the meeting that long-range plans are for a thorough restoration of the river through its entire length. The work will continue year after year, developing park areas, river bank trails, man-made lakes and recreation areas.

"Speaking of the Sturgeon River" said Ernie, "I would like also to mention the 1,000 acres of land that was set aside for Athabasca University. As it became app-

arent that there wasn't a need for a fourth university in the foreseeable future, I proposed to the Legislature and also to Ministers Foster, Backus and Warack that the site be developed as a provincial park and recreation area," said the M.L.A.

Mr. Jamison said he was determined to do everything in his power to keep St. Albert separated from Edmonton. "If a university was established on this site I feel that nothing could stop the city from growing to it. Developers would exert tremendous pressure for such residential development

PSS

Continued from page 1

water bills had been turned down at town hall, with a memo that such distribution was done only for notices on town affairs. A discussion followed on cost of preparing and circulating such a circular. "The single parents would do the preparation work, but were not in a position to pay printing and distributing costs," said Mrs. Stacey, who spearheaded the formation of the Single Parents group in St. Albert. The matter was left for further consideration later as the 8 o'clock appointment with the other two boards was approaching. Shirley Jamison of the Gazette left the meeting from 8 to 9 o'clock.

With regard to the Joint Meeting Mrs. Munro expressed her opinion that the delineation of roles of board members is not complete, and said she would like to move a former motion in this regard again if possible. Chairman Gaunce felt the meeting should deal with the matter of communication with regards to roles for now.

"My role is quite clear," said Mrs. Stibbe. "I was elected as administration finance chairman unanimously by the board at a meeting where either 10 or 11 - in other words all, or nearly all of the members were present. If there is a move to de-elect me, I would like the velle charges dealt with here. I did not seek this office," she said, "and if this is a move of non-confidence, this board had better come up with some good reasons."

"I did not understand that you were administrative chairman plus secretary," said Mrs. Munro, "until this is clearly laid out we cannot go on. I am not suggesting that you not be administrative chairman."

"This was written out on the blackboard when I was elected," commented Mrs. Stibbe. "It was not clear to me," said Mr. Thomas, "that the administrative chairman be secretary."

Mrs. Davis said "We had an administrative finance chairman before. When nominations came up I nominated Mrs. Stibbe as finance chairman. I was told at that time that Mr. Gaunce and Mr. Bailey had discussed the situation and recommended to the board that the office would include secre-

tary. So I agreed that the new member elected to the new position would be elected as secretary also."

Mrs. Stibbe read from Dec. 14 minutes: "That the following sentence be added - that financial matters continue to be handled by the administrative chairman. If this is not to be so, then I consider it a vote of non-confidence," she said.

Mayor Gibson said that as of Nov. 6 re. a meeting with Mr. O'Connell - ("and you were there Mr. Gaunce," there were listed one, two and three parts of the role of finance chairman. I suggest there was no communication between you and your board after that. With this kind of a committee you will have trouble. If you have to go by memory and interpret minutes (Mrs. Acker did not have available at the meeting the minutes of the previous one) then you will have trouble. Every piece of information out of council should come back to this board - or you will have trouble. I suggest we cut out this bit-picking and get on with the job," the mayor concluded.

Mr. Bailey asked the mayor if he had further recommendation regarding council information. "I believe either your director or secretary should be checking regularly and get photo copies of all items for circulation to all of the board," said the mayor. "A good suggestion," replied Mr. Bailey.

"In most cases," said Mrs. Acker, "council minutes are not available for one - two weeks after a meeting." "They become available to staff at the same time as to council," said Mayor Gibson. "There might be a lapse of two weeks - but not two months, as in the case of the Nov. 6 meeting just referred to!" "I can't see the difference between two weeks and two months" said Mr. Gaunce.

"The procedure outlined by the mayor should be a matter of course," said Mr. Gaunce, "I must completely agree with Ray."

"I have listened with great interest to this discussion on the three groups involved," said Mayor Gibson. "There is internal strife on all three boards. I can't agree that the director should be the go-between with council. She was not hired for this purpose. She should get on with Preven-

tive social work - not funding and financial nit-picking. The Board has to be financially responsible. I can't see the director's time being put to improper use in budget control - and I am not sure the director is trained in this," he concluded.

Chairman Gaunce said "some sort of change is probably necessary at the moment," Mrs. Stibbe says "lack of confidence - three letters say that" interjected Mrs. Stibbe.

"The letters express dissatisfaction only," said Mrs. Munro. People in all boards are confused between financial chairman and secretary roles.

"Minutes of June 15, Nov. 9 and Dec. 14 all make the matter entirely clear," said Mrs. Stibbe. "There is no other way they can be interpreted. I would prefer to see the financial chairman and secretary split," she went on, "but the board will have to make the change."

from Edmonton to the university," he said. "The MD council are also involved," said Mr. Jamison, "and we're in agreement with the idea of a park which would tie in with their plans for a man-made lake along the river."

Ernie urged those present to enlist support in all quarters for this park project.

Another point he felt important regarding the present work and future projects continued and Mrs. Stibbe held her ground that it was clear from minutes what her role is. At one point Mr. Gaunce shouted "you are sure as hell rude," to which Mrs. Stibbe said she respected being sworn at by the chairman. Mr. Gaunce put his head in his hands and asked Mr. Thomas to take the chair.

With two extensions the meeting lasted from 7:30 till past 11:30. Reports on other matters handled will follow.

gram for the river, was that it will alleviate flooding problems of many farmers in the district.

Mr. Jamison spoke of the Sports Alberta move to St. Albert as announced last week, saying that many future benefits would accrue to the town through this move.

He announced plans for joint meetings of St. Albert's two school boards and Sturgeon school division with Minister Hyndman to assess the overall future requirements of school buildings in the area. This meeting will be followed by separate meetings with each board. "Mr. Hyndman will be writing the school boards very shortly on this matter," said Jamison.

Other subjects touched on by the MLA were the Namao 4" waterline, the snowmobile insurance situation, on which he had been asked to prepare a report for the government, and the proposed ring road, which he predicted would be south of St. Albert.

Legion Plans Social Night For Installation

The St. Albert branch of the Royal Canadian Legion have planned a gala evening at the Community Hall for their joint installation of officers on January 19. Officers of the Legion and the Ladies Auxiliary will be installed that evening.

The Legion have invited a number of guests, including Provincial Executive Officer, Alex Bayrack of Edmonton, District Commander Percy Rossiter of St. Albert, Zone Commander

Wally Thomas, Ft. Sask., Mayor Ray Gibbon and Legion and Auxiliary presidents of the following Legion branches: Montgomerly, Strathcona, Norwood, Kingsway, and Jasper Place, all of Edmonton; Morinville, Ft. Saskatchewan and Sherwood Park.

The evening will open with cocktails at 7 p.m. followed by the installation of Officers. Dancing will begin at 9 p.m. and a smorgasbord is to be served at 11 o'clock with more dancing until one.

Kinettes are working in areas of public service

The St. Albert Kinette Club has been very busy during the Christmas season, with many service projects. On Wednesday, Dec. 20, the Kinettes, Kin Wives, and Kinmen delivered 54 Christmas Hampers. These families were very grateful to receive such wonderful hampers, which certainly brightened their Christmas.

The Youville Home residents were taken on a "Christmas Light Charter" on Thursday, Dec. 21. About 40 passengers, on the bus, toured the City of Edmonton seeing many decorated homes.

Kinettes visited the Sturgeon General Hospital again on Sunday, Dec. 24. They presented each patient who had to stay in the hospital during Christmas, with a lovely mum corsage and wished them a very Merry Christmas.

Linda Stewart, service projects chairman, announces that the Kinettes are now starting to organize the Heart Fund Canvass for Feb. "This extremely important project takes many hours of work and the Kinettes already look forward to the support of the community to help them reach a worthwhile goal," said Linda.

Air Cadets Activity

The St. Albert Air Cadet Squadron embarks this week one of the most extensive and exciting semesters ever experienced by this squadron. Training alone covers professional instruction in many courses, such as flying instruction, Aero engines, first aid, photography

Coupled with these the cadets will have sports programs, drill competition and range competitions both within the squadron and with other squadrons.

In addition plans are being completed for extra curricular activities such as visits to industry, TV stations, tours of military and commercial aircraft. A couple of major weekends are being planned for the

spring such as a building and ecology project at Camp Wright, Alhambra, in conjunction with elements of the Edmonton Militia.

The present 101 cadets and 19 cadettes have considerable pride in 533 Squadron, rated as one of the best in Alberta, and display tremendous enthusiasm in all the activities which can literally fill all their spare time.

Those who may have some interest in joining these activities are reminded that January 31 is the final enlistment date to become eligible to compete for inclusion in summer activities such as bush camp, survival training, and exchange visits. Regular parades are held Thursday evenings at the St. Albert Community Hall.

Temporary Jobs Open Through LIP Program

By Mona Acker
Preventive Social Services
Director.

The Preventive Social Services Board has received approval from the Federal Government to hire four unemployed St. Albert residents under the Local Initiatives Program. Under the terms of LIP the federal government provides the money for local groups to operate programs that will fight unemployment and be of community benefit. The St. Albert programs would involve young people, senior citizens, and those interested in the environment, and funds will hire four people, one for each area of activity, plus a secretary for about four months.

The St. Albert Preventive Social Services LIP program is designed to provide help to groups with operation or expansion of present programs or help them start new ones that they have wanted but haven't had the time to develop. It in no way desires to take over programs or take away from what groups are already doing but to make additional manpower available to them. The Preventive Social Services Board realizes that many good volunteer programs exist in the Town. It does not want to "step on any toes" or duplicate efforts.

The three parts of the

program will not be run for people but "with" the people who are involved already in the areas of youth work, assisting senior citizens and anti-pollution measures. Some examples of assistance that can be made include shovelling snow for the elderly or getting information for them on government paid programs, serving in an advisory capacity and/or supervising the Teen Centre Coffee House, and encouraging the recycling of solid waste salvage through frequent collections.

Employees are needed who can work well with people and have some background in the social sciences or education. Applications

should be submitted immediately. See advertisement this page.

A Comment by M.L.A. Ernie Jamison

This is the first time since the people of St. Albert Constituency elected me that I have written a personal column in my own newspaper, although the Gazette previously carried a regular MLA column while the House was in session, as a public service feature.

It is prompted by the numerous phone calls and visits I received Monday night and today, following a Monday broadcast by the Liberal Leader.

I appreciate their strongly-expressed anger at what they consider an unfair personal attack, regarding my friends getting jobs on the Sturgeon River Project. This kind of loyalty makes the job of MLA more than worthwhile.

Some of you also reminded me of a press article some time back when Mr. Russell was advocating that Liberals pay more attention to the matter of political patronage as an effort to build up party fortunes.

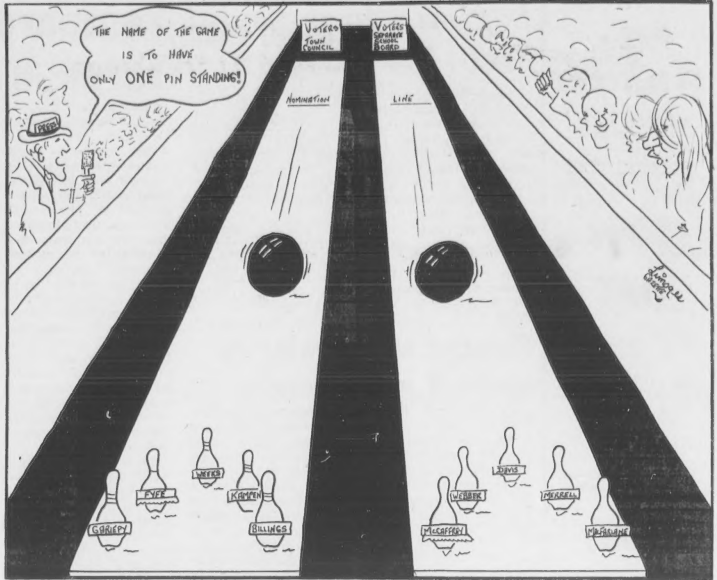

I tell you outright that not one paid person was hired on the project either on a formal request, or even through an informal suggestion of any sort, from me.

But it will be for the public to decide who they believe, and that is where I would like the matter to rest. For the opinion of the public at large is perhaps the most dependable factor in the working of a democratic government.

And over the long run the public at large will make the right decision. If this was not so, all of us might well be living under a dictatorship.

In the final accounting the people of Alberta will decide whether Peter Lougheed or Robert Russell is best qualified to lead this Province. Whether the Liberal Leader or Bill Yurko, Minister of the Environment, or CBC reporters are best qualified to manage a Sturgeon River project. And whether Robert Russell or Ernie Jamison or another candidate will be their choice as representative for this constituency.

I am content to let the matter rest with the voters.

LETTERS

Ratepayer Citizens Lauds Beware! Councillor Lukay

The Editor:
It was gratifying to find that there is at least one member of town council who does not equate quantity with quality. I refer to Councillor Lukay's review of the Year's business and specifically the annexation of the BACM property.

It is ironic that the same town council that argued so eloquently against annexation of St. Albert by Edmonton should be just as grabby when it comes to the land surrounding this town. Or could it be that it really was a case of 'you scratch my back, I'll scratch yours'?

Because, subsequent to the annexation announcement, BACM announced plans to build their office and shop complex in St. Albert.

Westgate Refuses To Meet MLA On Debating Floor

"Mr. Jamison's report leaves me cold," said Barry Westgate, according to Gary J. Draper, president of the University of Alberta Debating Society. Thus, what could have been a truly meaningful experience for both potential debaters, the whole shebang was shot down.
Mr. Ernie Jamison, MLA for St. Albert and chairman of the Select Committee on Censorship has been a frequent personality mentioned in Mr. Westgate's column published in The Edmonton Journal. By virtue of this fact, the president of the U of A Debating Society thought these two protagonists ought to meet on the debating floor and have it out.
The debate on censorship was scheduled for January 26th at noon in Room 104 of the Student's Union Building.

THOROUGH KNOWLEDGE OF MUNICIPAL ADMINISTRATION THAT CAN SERVE YOU IMMEDIATELY.
Inserted by - Billings for Council Committee 599-7283

Reg Crozier, Sturgeon MD Councillor has been keeping a close watch on the Priority Employment Program work being done in his municipal subdivision northwest of St. Albert. There are presently an average of 40 men working on the Sturgeon River, clearing it of wind-falls, rubble and debris which might hamper free flow during the Spring thaw. Officials of the Provincial Department of the Environment along with Water Resources personnel revealed this week at a press conference that the \$75,000 PEP on the Sturgeon West of St. Albert in the Alcomade area and Northeast starting at the Namao Bridge will invariably improve the river's flow and minimize spring flooding. Environmental Minister Bill Yurko also told members of the media at his press conference Monday morning that the Priority Employment Program, employing a total of 60 workers at both sites will be "a continuing project." Mr. Yurko and Mr. Walter Solodzak, assistant deputy minister of engineering support services denied charges that this project was damaging the ecology in the vicinity of the Sturgeon River and assured the media that the entire program was constantly under strict supervision.

Can You Help The Air Cadets?

St. Albert Squadron of the Royal Canadian Air Cadets URGENTLY requires the following instructors: A Marching Band Leader and a Sports Director and Assistants. The Squadron has Cadets and Cadettes who are enthusiastically carrying out a full program of training in many fields, and the task of the instructors is an enjoyable and rewarding line.

The volunteers needed would be required for Monday evening, 7 - 10 p.m. at Sir George Simpson school gym. Anyone who feels they would like this area of community work with a fine bunch of youngsters, or who wishes further information is asked to please contact Captain Les Gault, Squadron Commander at 599-7877 (home) or 484-2142 at his office.

Litter is still a problem everywhere. Consumers' Association of Canada reports the introduction of a Litter Act by the Alberta Government. This legislation enables the courts to impose fines of up to \$100 for a first offence, a minimum of \$250 for a second offence and \$500 for a third or subsequent offences. There is also provision for maximum jail sentences of

5, 15, and 90 days upon conviction.

CARD OF THANKS

A very sincere thank you to all business people, churches, schools and the many citizens that donated so generously towards making the St. Albert Christmas Hamper Fund such a success. Your support is deeply appreciated.

*Using his knowledge and experience for sound administration of your affairs which are dependent on grass-roots involvement.

*Providing an improved communication between Town Hall and the People.

*Better intergovernmental cooperation between federal, provincial, municipal, and school boards which takes into account the wishes of the residents of St. Albert.

*Improving relations between the Preventive Social Services Board and Town Hall.

*Sound business practices to keep St. Albert the most progressive community through transportation, business, and commercial development.

Prominent Lion Enters Council Race

Mr. Bill Webber, who believes his background and concern for school affairs, will enable him to bring a practical approach to the board, has entered the by-election contest for a vacancy on the Protestant School Board.

As a resident of St. Albert for the past 17 years, Bill Webber has taken an active part in community affairs. He has been a member of the St. Albert Lions Club for 10 years chairing several committees in that time, one of which financed the construction of a school in La Pita, Nicaragua. In addition he has served as director, vice president and president of the local club as well as zone chairman and Lions/CARE chairman for Northern Alberta.

As a member of the St. Albert United Church, he served on the Board of Stewards acting as property chairman for three years and is presently a member of the finance committee.

Bill has been employed by Northwestern Utilities for the past 21 years where he is presently responsible for pipeline construction in

the Edmonton district.

He is married and Bill and Joan have four children attending school in District No. 6. Mr. Webber is 39 years old and the family lives at 5 Grange Drive.

Former Board Member Seeks Re-Election

Mr. Dave (E. A.) Davis of Gladstone Crescent is a candidate for election as a trustee on the St. Albert Protestant School Board.

Dave and his wife Marg have made their home in St. Albert for 10 years, on Gladstone Crescent, and Dave served a year with the school board in 1970-71. He is 48 years old.

He has always taken an interest in school affairs and has worked for a number of years with the Parents Group for Retarded Children of Alberta, of which he is a past president. He is presently serving as liaison officer between the Parents Association of the Red Deer

School for Retarded Children and the Alberta Mentally Handicapped Hospital, opened last June in Edmonton.

Dave is a member of the St. Albert branch of the Royal Canadian Legion.

Mr. Davis has been with the federal government for 27 years and for the past 19 years has been a section chief administrator in the department of national revenue.

Comets Blast Opponents Gain 7 Point Lead

St. Albert Willowbrook Comets went on a scoring rampage last weekend banging in no less than 20 goals in lopsided wins over Leduc Oilers and Barrhead Sabres. The twin victories give the Comets a seven point lead in the Edmonton Central Hockey League over runner up Westlock Eagles, Comets have 12 wins, two losses and a tie in 15 games.

Friday night in Leduc the Comets allowed the Oilers to score after only 37 seconds of play and then roared back to take an easy 11-2 win.

Ex-Comet Art Scott gave Leduc a 1-0 lead in the first minute of play. At 7:11 Ted Rogers took a pass from Harvey Kirkland and evened the score when he beat Oiler netminder Jim Coombe. Fast skidding Brian Stevens put the Comets ahead 2-1 at 8:40 with Doug Bell and Garry Checknita drawing assists.

TED ROGERS
(nat trick)

With two minutes left in the period Rogers scored what proved to be the winner with Kirkland helping out. Leduc outshot St. Albert 15-10 but were stymied time and time by the excellent goaltending of Zane Jakubec. There were no penalties.

In the middle period Comets managed only 12 shots on Coombs but managed to score five times. Comets leading scorer, Henry Hodgson gave St. Albert a 4-1 lead at 3:19 with Kirkland picking up his third assist. Leduc's second and last goal was scored by Bob Hrychuk at 4:24. Smooth skating Al Laplante scored Comets fifth and sixth goals, with an unassisted marker at 11:10, while Jim Read and Garry Checknita helped out on the second at 15:49. Laplante then set up Lineamite Jim Read at 18:40 to give the Comets a 7-2 lead. Coombs was having a bad time in the Oiler net and was replaced by Ray Turchansky.

HARVEY KIRKLAND
(7 point weekend)

Comets showed little mercy on Turchansky with four more goals on 11 shots. Coach Gary Checknita scored an unassisted goal at 3:05 and at 10:26 Rogers completed his hat-trick, with Kirkland and Dale Ripple assisting. Stevens got his second from Checknita at 12:59 and Laplante added his third of the night at the 19:00 minute mark. Line-mates Read and Ron Fournier assisted. Comets took three of the five penalties and outshot Leduc 14 to 7.

Sunday in St. Albert the Comets continued their hot scoring spree as they completely outlasted the Barrhead Sabres with a 9-2 victory.

Comets started quickly, scoring three times in the first three minutes. Ron

Fournier banged in a loose puck after only 38 seconds gone with Read and Laplante getting the assists. Barrhead argued the play was offside and all they got for their persistence was a misconduct penalty to Larry Craig.

Henry Hodgson scored the first of three goals at 1:27 on a nice play set up by Gary Checknita. The Fournier-Read-Laplante line struck again at 3:07 with Fournier blinking the light. Barrhead's Gary Clochetti banged in a hard slapshot at 11:38 and appeared to give the Sabres a lift. Comet goalie Jakubec was tested with some good shots but managed to hold them off and take a 3-1 lead after the opening 20 minutes. Barrhead took three of the four penalties called.

With Wally Monson sitting out a holding penalty Craig scored again at 8:01 to pull the Sabres to within one of the Comets. St. Albert took control the game midway through the period and scored three goals to give them a comfortable 6-2 lead. Checknita, Rogers and Kirkland found the range within a span of under three minutes to close out the second period.

Henry Hodgson scored two in the third while Rich Perrault added the other.

Comets see action again tonight when they travel to Winterburn for their second meeting of the year with the cellar dwelling Tomahawks. The last match resulted in a 10-8 win for the Comets.

St. Albert Lacrosse Club Sets Meeting For Jan. 15

The big day Monday, Jan. 15, 1973 is fast approaching for the first general meeting of the St. Albert Lacrosse Club. The time is 7:30 p.m. and the place is Father Jan School. Preliminary registration by the committees registrar, Bob Paschereau will form part of the meeting. For advanced information concerning registration call Bob at 599-4911.

Arrangements have now been finalized for the use of the St. Albert Arena with

HOCKEY FLASH!

After suffering three straight losses the St. Albert Bruins scored an exciting 4-3 win over North Side Comets in St. Albert last night. Prior to the game both clubs were tied for third place with 15 points each.

Bruins opened the scoring at 13:37 of the first period when Marcel Tourangeau scored with Ray Gauthier and Jan Kristensen assisting. Less than a minute later rookie Bob Wallace scored from close in with Tourangeau getting the assist. Bruins went ahead 3-0 on another rookie's goal as Terry Kelsner backhanded a shot past Comet goalie Bob Chambers. Dave Lockhart and Rick Barry assisted.

The second period was dominated by the Comets as they scored three of the four goals. Craig Neeser scored the winner for the Bruins at the 10:25 mark.

practices beginning in April and league games starting in May. In addition, Roger Bourbonnais has agreed to act as the club's legal advisor, and will assist in any way possible to advance the cause of Lacrosse in this capacity.

The Golden Jets Senior B 1972 Provincial Champions will play from the arena under the St. Albert banner providing fans with top calibre lacrosse action. The Golden Jets will be of great assistance to minor lacrosse in St. Albert as they will be conducting clinics and acting as coaches, assistant coaches and advisors in our minor league. There knowledge and experience will prove valuable in getting minor lacrosse off the ground.

It is the committee's desire to encourage as many St. Albert residents of all ages to get involved as coaches and referees. Introduction to coaches and referee clinics will begin on January 26 and 29 at St. Alexander Mackenzie.

These two clinics will be conducted by special speakers, Mr. J. McFalk, referee in chief and Mr. H. Deddes, director of clinics

ROGER BOURBONNAIS
Well known hockey celebrity who has joined the St. Albert Lacrosse Committee as legal advisor.

of the Alberta Lacrosse Association. These gentlemen will be joined by Mr. J. Taylor, coach of the Golden Jets and a member of the advisory committee of the St. Albert Lacrosse Club.

These two clinics are a must for those interested in coaching and refereeing in minor lacrosse, said Don Anderson. Further information is available from Bernie Levasseur, 599-7871 chairman, or Don Anderson, 599-8342, deputy chairman.

Coveted Eaton Trophy Arriving On The 19th

The highly prestigious T. Eaton Inter Club Curling Trophy was recently won by the St. Albert Mens Curling Club in only their second year of competition.

The annual trophy is played for by some 14 mens club teams in the greater Edmonton area. Each club must send 75 per cent of their mens membership and St. Albert entered 36 of their 48 teams.

Each team plays only one game on a neutral rink and points are awarded on a

percentage basis due to club membership.

St. Albert rinks won 22 of their 36 games and were awarded the trophy held by the Granite Club for the last five years.

Curling Club Manager Art McCormack stated the Eaton Trophy will be officially turned over to the club on Jan. 19th along with a \$250 store voucher from Mr. Kerr of Eatons.

Skips of the St. Albert entrants were R. Comeau, D. Bird, R. Kremer, R. Os-

borne, M. Porowski, B. Weaver, K. Kaufman, R. McMaster, B. Lucas, A. Mitchell, K. Schinkinger, B. Kane, G. Hodgins, B. Hodgins, B. Walker, A. Donalds, G. Kaup, H. Lewis, R. Blake, J. Gowler, T. Midget Hockey League

The midget league is off to a good start this season with all games played so far being close in scoring and on the whole pretty good hockey is being played.

Last year Dennis Sanche scored 52 goals and several assists, and is out to beat his own record this year, so far he has scored 12 goals and three assists. Keep up the good work Dennis.

This season, there seems to be more spectators coming out to the games in support of the boys and in view of this we would like to encourage every sports minded person to come out and see why St. Albert has something extra to be proud of this season.

Along with the midget, bantam, peewee "BB" teams entered in the provincials this season, we have entered two more midget teams under the "C" category.

These boys are out there trying to help put St. Albert on top in the name of sports. "Come on St. Albert" help put the boys on top. "Support your Minor Hockey."

Sturgeon Hockey League

Calahoo Scorpions are all alone in first place in the eight-team Sturgeon Valley Senior Hockey League as a result of an exciting 3-1 win over Morinville last Friday. Going into the game both teams were tied with identical 8-1 records.

The Contant brothers once again put on a good show with each picking up a goal. Andre scored the only goal of the first period while Jake and Claude tallied in the second. Calahoo goaltender Gerald McGinn lost

his shutout bid midway through the third, when defenseman Norm Bohl drilled a hard shot from about 30 feet out. Morinville shooters had some excellent chances to score but between three goal posts and some erratic shooting they couldn't get untracked.

In other action in Morinville, Greg Wolanski scored his second goal of the night with only 30 seconds of play left to give Bon Accord a close 2-1 win over Legal. Darcy Brisson scored Legal's only goal with Guy Charrois assisting.

In Legal on Sunday, Dale Hegadorn scored both goals as Namoo shutout Gibbons 2-0. Wayne Potter was in

goal for Namoo and was a star. In other action Villeneuve doubled the score on Alexander Braves 4-2. Noel Meunier, Phillip Soetaert, Richard Soetaert and Vile Soetaert scored for Villeneuve and Leroy Paul and Eugene Newborn had goals for Alexander.

Last Friday Bon Accord and Namoo played to a 3-3 tie. Dale Hegadorn, Ron Sichbaryk and Brian Clarke scored for Namoo while Bon Accord's goals came from Ian Campbell, Don Bland and Brian Campbell.

Calahoo downed the Braves 6-2 on goals by Bill Wollshin (2), Jake Contact (2), Jack Wozny and Andre Contant. Norm Kotenay and Leroy Paul scored for Alexander. Gibbons lost 4-1 to Villeneuve and Legal beat Morinville 5-4.

Bruins Continue In Slump With 3 Straight Losses

The St. Albert Bruins are in a terrible slump losing their last three games after they had won seven of nine games.

Coach Rick LeLacheur was most annoyed at some of his players performances last Tuesday when they were bombed 11-1 by South Side Metros.

LeLacheur and team owners Ron Yanosik and Garth Leask have decided some of the players are not putting out to their ability and changes are being considered.

Bob Wallace of the Sportshop Barons midget team

was brought up for a trial and his performance has earned him a spot on the club. Alex Jensen from the juveniles has also been placed on the roster and Gerald Langevin has been returned to the juveniles. LeLacheur is also looking at some more top midgets and juveniles and no doubt some changes in personnel will be made.

Bruins are tied for third place with the North Side Comets with 15 points, although the Comets have played four more games. Metros are in first place with 28 points but have played three more games than

the U of A who have 25 points.

Bruins were completely out of the game with the Metros and only Darcy Brisson could manage to score.

Bruins next see action when the Sherwood Park Knights will be in St. Albert this Friday for a game starting at 8 p.m. This game is most important as the Knights are only four points behind the Bruins in the race for the last playoff spot. On Saturday the Bruins travel to Fort Saskatchewan to take in the last place Traders.

Gazette Grizzlies Maul Athabasca In Weekend Twin Bill

On January 6 the Gazette Grizzlies of the Kinsmen Midget 'A' minor hockey league travelled to Athabasca via the Kinsmen bus to play a two day, two game exhibition series with Gary Berger's club. The team received additional support from Grandin Esso and Grandin Gulf service stations and Mr. Roy Gouchey who drove the bus.

Sardy Millroy opened the scoring Saturday night for St. Albert only to have Randy Vadheim reply quickly for Athabasca. Midway through the second period Greg Pudowski fired a long shot from the point to put the Grizzlies out in front. Cameron Bissel tied the score for Athabasca before the period closed. The second period was scoreless with St. Albert spending 16 minutes in the penalty box, at one point playing with two men short. Badman Rod Gouchey led the parade to the box drawing a five minute minor after closing the eye of Ken Day, a former team mate who moved to Athabasca club earlier in the season. Athabasca jumped to an early lead in the third period on a pretty

goal by Donald Rypien only to lose it when Geoff Holden fired a pair from the slot to beat Athabasca goalie Doug Richards from about 15 feet out. With Maurice Isaac holding the fort, Ron Gosse added an insurance marker for the Grizzlies to wrap up the scoring to a tune of 5 - 3 in favor of St. Albert.

On Sunday both teams changed goalkeepers with Darryl Jones picking up some experience for Athabasca while Kevin McLoughlin playing with a touch of the 'flu' took a regular turn between the pipes for St. Albert. St. Albert opened the scoring with two quick goals in the first minute of play only to have the Athabascans bounce back and tie the game at the end of the period at 3 - 3.

In the second period there was plenty of action at both ends of the rink with St. Albert coming from behind a 4 - 3 deficit to take a 6 - 5 edge going into the last frame. The Athabascans once again folded under constant pressure applied in the third period by the high spirited Grizzlies who outscored them 4 - 1 and re-

linguished the game to a 10 - 6 final score. Both clubs took four penalties each, with Darryl DeCosta the badman for Athabasca taking two of the four while Kirk Ledgerwood equalled the task for St. Albert. Gary Muzichuk lead St. Albert with three goals and two assists while Richard Byruss was the big gun for Athabasca in a losing cause scoring four of the six goals.

The boys from St. Albert were billeted out with the players of Athabasca spending a very enjoyable weekend. Unfortunately there is no arena ice available at St. Albert to return the hospitality and goodwill shown to us at Athabasca.

Barons Tie Fort

Two third period goals by Terry Keiser and Matt Lister gave the St. Albert Sportshop Barons a 4 - 4 tie with Fort Saskatchewan Traders Monday night in the Fort.

Barons found themselves trailing 3 - 1 after the first period. Matt Lister got the goal with Jim Hole assisting at 15:55.

The St. Albert Mens Commercial League swung into the second half of the schedule last week with some rather high scores being recorded.

On January 3 Premier Esso beat Belcourt Power Kegs 7 - 2 but no game sheet was received as to who scored the goals.

Last Thursday Grandin Gulf Blazers turned it on and swamped Kinsmen Warlords 11 - 2. Gerry Bourassa, Don Darling, Peter Van Brabant and Bernie Lavasseur scored two each with singles going to Don Stewart, Sheldon Webb and Dennis Limoges. Bob Thorpe and Ed Rusnak scored

for the Warlords.

On Monday St. Albert Pharmacy defeated Premier Esso 6 - 4 but probably will lose the two points

because one of their players has played in another league. This is against league rules and will result in the forfeit.

ST. ALBERT TRAIL

Local Girls Win Events In City Ladies Bonspiel

For the second year running, the Northern Alberta Ladies' Curling Association held its Girl's Christmas Bonspiel in which six local rinks participated. Last year the Association held its first 'Spiel' in St. Albert while this year the event took place at the Shamrock Curling Club in Edmonton with a total of 36 rinks competing in the two events.

The two events were established as Sweeney A, B, C, and D while the other event was simply called Novices A, B, C, and D. In the Sweeney event, two St. Albert rinks did very well but failed to get into the prizes by virtue of the fact that competition in this event was exceedingly tough. However, the Nancy Glaister and Jill Schunkinger rinks did very well.

In the second event 'Novices' in which participating rinks had a maximum of one season's curling experience four local rinks even got in the prizes, which illustrates that St. Albert Girls caught on to the 'roaring game' of curling quickly and well. Entries in this event from St. Albert included the Cindy Cairns, Gail Cairns, Kathy Hapkin and Cindy Oakes rinks.

Local prize-winners were the rinks skipped by Kathy Hapkin, third, Laurie

McGregor, second Sherilyn Roberts and lead Joanne Brouillette who came home with fourth in the Novice Event. Second prize winner also in the Novice Event was the rink skipped by Cindy Oakes, third, Kathy Griffiths, second Barbara Backholdt and lead Shelly Fenton.

Murdo MacFarlane Seeks No. 6 School Trustee Seat

Murdo MacFarlane, born in Winnipeg 48 years ago, has lived at 14 Gresham Blvd. since 1963. He and Diana have three school age children, one in grade one, one in grade eight, and one in grade nine. For Murdo, as with us all, interest in school matters begins at home, and with Murdo, extends through various activities to the current campaign for school trustee.

He served one term as board member for the St. Albert Creative Schools Society and has maintained a keen interest in local activities.

Murdo has lived in the St. Albert-Edmonton area since 1950, except for a brief visit to New Zealand shortly after he and Diana were married in Edmonton. During the war, Murdo's four years service in the British Army Signal Corps extended from the British Isles through France, Belgium, Holland, Germany, Italy and Yugoslavia. His parents had returned to Scotland in 1934. In 1940 Murdo began learning the

trade of his father, masonry, and, apart from his four years service in the army, has been involved in the construction industry ever since. For the past 10 years he has been the senior masonry instructor in the province.

A keen swimmer, Murdo earned the Royal Life Saving Society's Bronze Medal in 1938, and, when in the Boys' Brigade was the top gymnast in his class. He has been a voracious reader and keen debater since his early teens. In 1969 he entered the University of Alberta to earn a four year degree in Vocational Education. By this August, through extension classes, he will have completed his degree requirements. In addition, Murdo is a parent-supervisor Thursday evenings for the girls and boys gym activities at the Sir George Simpson Junior High School.

CARD OF THANKS

We wish to sincerely thank the members of Grandin Merchants Association and the Senior Citizens Club of St. Albert and Santa and all his helpers, for their help in bringing Santa Claus to St. Albert.

Single Parents of St. Albert.

Housewife Makes Bid For No. 6 School S.D. Seat

My husband Peter, myself and our family have resided in St. Albert since 1967. During this time I have been actively involved in community affairs and have served on the executives of the St. Albert-on-Sturgeon Players and the Leo Nickerson PTA.

In the past 10 months I have attended all the regular meetings of the separate school board and have gained

a good working knowledge of the board, its present policies, and modes of operation. I have also represented the Leo Nickerson PTA in its attempts to have the board lower the pupil-teacher ratio within the division.

I was deeply involved in the promotion and organization of the Educational Facilities Charette and in the preparation of the final Charette report. This ex-

perience gave me a great insight into the concerns of many St. Albert people regarding the education of their children.

As the mother of three young boys I am vitally interested in the quality of education they will receive. During a child's young years his closest relationship is with his mother and I feel it is essential to have a mother's say in school board

Dancing School Moves To New Muir Drive Site

The St. Albert School of Dancing will reopen at their new location at 22 Muir Drive off the highway on Tuesday, January 16 with a busy season ahead. Students will immediately start preparing for exams in ballet, tap and modern dance. The exams will take place in April and Miss Joan Hardy from London, England will be visiting the school to conduct the exams.

In May the Alberta Professional Dance Teachers Association will be sponsoring a dance festival in Edmonton, and Alma Hughes and Gladys Smith, as well as being part of the committee, will be busy preparing many children to take part.

Bakker Stomps

Continued from page 1

Councillor John J. Bakker objected to the Association's recommendation "that the referendum be dropped from the January 31 ballot." Councillor Bakker expressed his views that this question of snowmobiling in St. Albert must be voted upon and he also pledged that he would do everything in his power to keep the snowmobile questionnaire on the January 31 ballot.

Councillor Lukay, after digesting the brief, advanced the motion that the snowmobile question be removed from the ballot, "and let's give the Snowmobile Association a chance to put into motion its proposals."

Councillor Bakker, blanched with anger, warned council that this motion was ridiculous and impossible to push through. Chief Administrator Dan O'Connell read the Municipal Act and advised council that the 'question' could be removed from the ballot through a special meeting of council, attended by two-thirds of council members present.

Councillor Bakker said, "This can't be done tonight because we're already meeting during a 15-minute extension of the committee meeting and therefore I move that we adjourn."

Mayor Ray Gibbon then made a motion that the committee meeting go into a special meeting to deal with the issue. Councillor Bakker's motion to adjourn was carried and deputy-mayor John deBruijn, who had been chairing the committee meeting, turned proceedings over to Mayor Gibbon. At this point, Councillor Bakker packed-up his briefcase and stomped out of council chambers with a parting remark, "don't forget gentlemen, this special meeting you're planning to hold is illegal because I deny having been notified."

Mayor Gibbon, assuming the chair, called upon each remaining member of council to sign the special meeting waiver then entertained debate on the motion by Councillor Frank Lukay that the snowmobile question be removed from the January 31 ballot.

Councillor Rod Thordson was first to speak on the motion. He said that he was against removing the question from the ballot because he would have liked to give the residents of St.

Albert an opportunity to express their opinion on the issue. He also agreed that council had buckled under pressure. However, he did admit that the Snowmobile Association had made a good presentation and said he was willing to wait and see how effectively it will function.

Councillor Frank Lukay, while speaking on the motion to remove the snowmobile question from the ballot said, "I did not bend under what has been called here a 'pressure group', I have simply changed my thinking on the issue, in the light of the brief and would like to see these people go ahead with their plans to educate snowmobilers, institute regulations and bring about what I sincerely feel is a good program, worth our endorsement." Mr. Lukay added that if the Association fails to fulfill its outlined proposals, he will be right there to push through a hard and fast bylaw implementing required snowmobile regulations.

Mayor Gibbon, in his remarks, said that he was pleased to see that this Association will be given a chance to function. "After all," he said, "anytime over 200 interested citizens attend a public meeting like they did on snowmobiling last week at Father Jan School, we ought to have enough faith in our people to give them a chance to go ahead with their plans."

Councillors John deBruijn and Bob Hudson both said they didn't want to repeat what had already been said because they agreed that the Association ought to be given a chance.

The vote to rescind the January 2 motion that the snowmobile question be voted on January 31 was carried 4 - 1. Voting in favor were Mayor Gibbon, councillors deBruijn, Hudson and Lukay. Councillor Rod Thordson voted against the motion.

Now, as things stand, there will be only one questionnaire on the list on January 31 voting day, the one dealing with bus transportation. Other ballots to be cast on voting day will be for one of five candidates to fill a vacancy on town council and one of five candidates vying for the vacant Separate School Board seat. Although nominated candidates had 24 hours in which to withdraw, none of the 10 nominees did so. An advance poll will be held January 26. See advertisement in this issue of The Gazette.

Ophthalmologist To Speak At S.S.A.A.C.L.D.

Dr. T. A. S. Boyd will address the first regular public meeting of the year for the Sturgeon-St. Albert Ass'n. for Children With Learning Disabilities.

Dr. Boyd is a professor and chairman of Ophthalmology at the University of Alberta, and the University Hospital. He is also director of Blindness Control for Alberta. Dr. Boyd presently serves on the professional advisory board of the Edmonton Association for Children with Learning Disabilities.

As a parent with first hand experience in dealing with the problems of a learning disabled child he can speak with considerable insight. Dr. Boyd's personal knowledge and interest in the area of learning disabilities have made him a much sought after speaker and the association is most pleased to have him address their meeting.

Every concerned, interested parent and professional is invited to attend the meeting, to be held Monday, January 15 at 7:30 p.m. in the music room of the Leo Nickerson School.

Recreation News

ARTS AND CRAFTS:

Programs, sponsored by the St. Albert Arts and Crafts Guild in co-operation with the Department of Parks and Recreation, will be advertised shortly. Class will start during the week beginning February 5.

Y-NEIGHBORS:

The next session of the Y Neighbors sponsored by the YWCA, starts on Monday, January 15 in the Community Hall at 9:30 a.m. and registration will take place at that time.

During a severe attack of laryngitis, a woman lost her voice. Her husband devised a system so that she could tap out messages to him. One tap meant "Give me a kiss." Two taps meant "Yes." Three taps meant "No." And 95 taps meant "Take out the garbage."

Continued from page 1

the nurse on duty to get them on emergency tables and take off their boots.

As Peeewe pointed out the two fellows, who had had a car accident at the correction line on the highway had actually passed two houses before reaching Quintals - but Quintals were the only clearly visible yard lights at the time - around 5:30 p.m. He also felt they might have received aid sooner if they had stayed with the car, but perhaps they were in a partial state of shock after the accident, the big man was pinned in the car and it took the other some time for his small companion to get him out through the driver's door. At any rate the Quintals felt that neither would have survived the bitter cold much longer, and fortunately both men were young - around 25 they thought, and would withstand the hardship better than older persons might.

The men were coming from Alberta Beach via Onoway to Highway 2 and Edmonton.

In an interview Tuesday with the two accident victims who are now recovering in the Sturgeon General Hospital, Dale Lea-Wilson and Ken Campbell, both of Edmonton told The Gazette that they were indeed grateful to have stumbled upon wonderful people like "our rescuers." They asked us for the name, address and phone number of Peeewe and Pearl Quintal of Calahoo, "who

Quintal's Involved

saved our lives."

Both Dale and Ken still don't know how the accident happened and can barely remember the events which followed the accident. Both young men, suffering from shock, dimly recollect the Quintal farm residence,

being driven to the hospital and few vague events after that.

At the time of the Tuesday interview, both young men were recovering nicely from severe frostbite to their hands plus a few cuts and bruises.

MURDO MacFARLANE

Mac Anderson on Heads Local Fish & Game

At the December 12 annual meeting of the St. Albert and District Fish and Game Association, about 90 interested members and potential members were present to view a live display of bow hunting plus three excellent films. A new executive for the coming year was also elected.

Seven members of the Bow Hunters Association were present in full hunting regalia and gave a very interesting display of hunting with bow and arrows. Three films were also shown and these dealt with bow hunting of grizzly bears, polar bears and mule deer.

The following slate of officers was elected to serve during the coming 1979 term:

President, Mac Anderson; Past President Don Hayden; First Vice President Walter Frank; Second Vice President El Corner; Secretary-Treasurer, Don Paterson; Policy, Frank Miller; Membership Nell Goosen; Program Gord Stretch; Newsletter Andy Anderson; Big Game, Marcel Houle; Bird

Game Phil Ficht; Fish Bass Chamberlain; Farmer-Hunter Relations George Hoagg; Hunter Training Bill Lewis; Jr. Conservation Don Sav-

ard; Trophies, Adrien Gommache; Firearms Len Menard; Director-at-Large, Lucienne Montpetite.

Crafts Guild Displays Local Work At Library

A colorful exhibit currently on display at St. Albert Library features work done in many of the fall classes sponsored by St. Albert Arts and Crafts Guild in co-operation with the town recreation department.

Featured are pottery, oil painting, copper enamelling, needlecrafts, knitting, leather work, macrame, preschool art and woodworking done by local children, teens and adults.

The Guild's 10-week winter session in these and other crafts will begin the week of Feb. 5 and registration forms with information on the classes will be distributed throughout the town later this week.

Anyone requiring additional information regarding the classes may call the Recreation Department at 599-6601 or Guild co-ordinator, Mrs. Lois Folkins, 599-7344.

Around Town

During a short chat with Elmer Gish, superintendent of No. 6 Separate School District, The Gazette learned that the new Paul Kane High School's completion date has now been set at sometime at the end of January. Mr. Gish said that that date was only tentative and could be extended even into the month of February.

The St. Albert Breakfast Lions are pleased with the enthusiastic support received in their annual fund-raising Calendar Project. Residents of St. Albert should have their calendar by now, however, if you have not received yours please call Lion John Hubertson at 599-3217 or call in at Lion Harry Hutchings on The Mall

The Kambouroffs got back about 2:30 a.m. Sunday morning from a holiday in Hawaii looking very brown and healthy. Monday they dropped daughter Kathy off at the Jamisons, where she will spend some weeks to complete her grade 12 semester, and had to leave almost immediately to motor to 100 Mile House to get Susan into school Tuesday. Not, however, before Kam told Ernie about the big swordfish he caught. It was evidently about the length of Big Ern, but unfortunately, said Kam, my pictures didn't turn out.

Private Gerard Garlepy, 18 year old son of Marilyn and Roger Garlepy, 35 Geneva Crescent, is one of 151 militiamen who left Canada

Friday for Laehr, Germany to participate in NATO exercises there.

Pte. Garlepy is one of three medical unit personnel from the Edmonton area taking part in the United States organized exercise.

Although officials would not reveal when the exercises would begin, the militia will be taking part in ground exercises called Operation Reforger, to be held somewhere in southeast Germany.

Pte. Garlepy joined the militia last summer.

SAM Students Plan Bake Sale To Raise Funds

The students of Sir Alexander Mackenzie School will be sponsoring a bake sale on Saturday, January 20, at Grandin Shoppers' Park Mall.

The proceeds from this sale will go toward the Grade Nine Graduation Prom, to be held in May.

Contributions to the sale are accepted from any student at SAM. However, the event will be solely operated by the Grade 9-2 class of Mrs. Dora Nelson.

An added attraction of the sale will be a draw to be held at the end of the day with the winner to receive two tickets to the January 27 World Hockey Association game between the Alberta Oilers and the Philadelphia Blazers. The tickets have been generously donated by St. Albert Pharmacy.

The students of SAM request your support for this event, on Saturday, Jan. 20.

Remember the old way of borrowing, when you had to have it to get it?

At Toronto Dominion, that kind of thinking has gone by the boards. TD's Cash-flow way to borrow puts the emphasis where it belongs. On the money you earn. Here's how it works:

You figure out the money you'll have coming in over the period of a year. And how much you plan to spend during this period. The difference between your income and your outgo is a guide to the amount you can comfortably repay when you borrow. And that's really about all we need to know for a Cash-flow Loan. So if

there's something you've been thinking about that requires more money than you have at the moment, talk to your TD Manager. He'll help you work out a Cash-flow Loan. That's Toronto Dominion's new way to borrow. If it helps you live the way you want to live, we think it makes good sense.

TORONTO DOMINION
the bank where people make the difference

Cash-flow. The modern way to borrow.

Council Candidates Express Their Views

Al Weeks

The present council has taken the opportunity on the occasion of this byelection to present to the voters a question concerning an increase in property taxes in order to subsidize a public transportation system. They are to be commended as this means that they can get the feeling of the voters on this contentious issue without an appreciable added expense. Please note, however that the town council has NOT legally bound itself to accepting the views of the voters -- they have merely asked an opinion.

Until the special meeting of January 8th they were going to ask a question concerning the usage of 'motor-toboggans' on the roadways and public property. Now they have decided against doing this. Prior to the meeting of January 8th the vote on this issue was 3 - 3. I take a firm stand against the use of these machines on roads and public property within our town.

I have been involved in the training of others in management skills at the University Hospital. Planning, organizing, communications, motivation and decision making are among the subjects that I teach. These skills, along with the experience gained through 24 years of service in the armed forces, most of which was in the commissioned officer rank would make me a valuable asset to town council.

I am very much in favor of the voters knowing what 'goes on' in the policy making body of our town.

I am available for questions and queries at 599-4981

Myrna Fyfe

During the past seven years I have been involved in a variety of projects that have brought me in contact with a large number of families living in St. Albert. Over four years ago I

was invited to help organize a Homemakers Service. This was done with the support of town council and the service is now well established in the community. An assessment of this program showed that many mothers of pre-school children need a 'day off' once in a while and again we introduced a pilot project - The Mothers Day Out Program.

St. Albert has grown from a small historically unique town to a rapidly developing urban satellite. Due to the present lack of local radio or television stations we struggle to preserve our identity from the sprawling city to our south eager to swallow us up. Consequently there is a pressing need for better communication and particularly between town council and the citizens of St. Albert.

As a councillor I would plan to set up regular meetings to hear the views of people living in the various areas of St. Albert. For example, I would be anxious to have neighborhood meetings in Braeside, Sturgeon, Lacombe Park, etc.

I feel the recent Charette Report is an example of communication that warrants careful study and the implementation of many of the recommendations made. The Charette involved some five hundred people and must be taken very seriously.

The following are some of the major issues that council should deal with:

*Better planning for St. Albert - physical, social and economic planning.

*Need for a revamped Recreation Board - made up of citizens.

*Improved Internal Transportation - bus service.

Syd Billings

My decision to stand for election as a town councillor is prompted by an urge to serve the members of the community in the town where I and my wife Vera have made our home and where we intend to stay.

I have had seven years of first hand experience with town hall affairs, having served the residents of St. Albert as assistant secretary-treasurer and secretary-treasurer from 1960 to 1967.

I am concerned that so many of our town hall affairs are conducted in closed meetings. Surely the residents of this community deserve to know and be kept

abreast of issues and outcomes of all meetings.

I firmly believe that our town hall needs councillors who will devote unstintingly of their time and experience. I have that experience. I have the time to serve you immediately after election.

I am committed to:

-sound administration of your affairs which are dependent on grassroots involvement.

-providing an improved communication between Town Hall and the People.

-better intergovernmental cooperation between federal, provincial, municipal, and school boards which takes into account the wishes of the residents of St. Albert.

-improving relations between the Preventive Social Services Board and Town Hall.

-sound business practices to keep St. Albert the most progressive community through transportation, business, and commercial development.

I will:

-strive for sound financial policies.

-try to use any surplus for capital expenditures as to reduce borrowing and interest charges.

-strive to obtain and install the much needed and important traffic lights for our town at the earliest possible time.

-work towards better recreational programs for our youth.

-strive to publicize the full implications in services and dollars prior to any commitment by the town.

-work together with the councillors and mayor for the Town of St. Albert.

Roger Gariepy

Judging by the number of telephone calls in the past week, I can safely assume that a 'hot' issue deals with snowmobiles. I'm glad council reversed its stand; that's what really got me riled up -- perhaps not so much the issue itself, but rather the way that council originally handled the whole matter.

Town council would have shirked its responsibilities by authorizing a plebiscite on this matter. It would be a total waste of money because council should be making the decision, after considerable 'homework' has been done by the mayor and his fellow councillors. The citizens andies going on in council the past few

months prompted me to enter the political arena. I couldn't believe it when the snowmobile plebiscite was authorized. I'm not against plebiscites, but I feel they shouldn't be wasted on such minor matters.

I think you will agree with me that this item did not warrant a referendum. I personally favor controlled use of snow vehicles, and surely there is an alternative solution in the wings.

Two weeks ago in Drayton Valley, the council established a special committee made up of two councillors, RCMP and some club members to review the situation in their town, and offer solutions to the same problem we're encountering. Next week their report should be presented to the Drayton Valley council.

Surely we're as intelligent, progressive and adult as the citizens of Drayton Valley! Now that a snowmobile association has been formed here, we should set up the committee, and make a concentrated effort of evening meetings that would hammer out a solution acceptable to all. But to carry this item to a full-scale citizen vote is ridiculous!

It's difficult to compress all of my views in this generous space allotted by The Gazette, but I hope to highlight a few basic platforms in the next two issues. If you have specific topics you

would like to discuss, please call me at 599-3771.

Incidentally, I'm married to the former Marilyn Maxwell and have eight children. I'm a laboratory technician at Sheritt-Gordon Mines, and live at 35 Geneva Crescent. I have my family's support in this campaign, but it's not quite enough -- I need yours!

Andy Kampen

A number of people have called to ask my views on snowmobiles. I would be in favour of banning skidoos on the river between the highway bridge and the railway trestle. If for no other reason than to prevent a serious accident on this narrow channel, this snowmobile traffic should be stopped. However the noise nuisance is a second impor-

tant factor.

The local snowmobilers association may sincerely believe they can enforce local regulations, and they should be given a chance. But, what about the large number of Edmontonians who come to St. Albert for snowmobiling, having been chased out of Edmonton? I would say that the town by-law has been in effect for three years and is not working as far as these people are concerned.

I am against public transport wholly owned by the Town. We can't afford it. But council should I feel, subsidize public bus service to a certain extent.

The amount of subsidy should be, I think, a decision of council. Council can consider all of the alternative methods and relate extent of service to costs and to revenues available in the overall budget.

Again I saw that I am prepared to put hard work and the necessary hours of time into the job of a councillor. I think the job requires homework, and rightly so.

St. Albert is a home that my wife Ann and I chose and that we and our son and daughter have come to love.

I would like the chance to work for it on council.

Trustee Candidates Express Their Views

Dave Davis

My thanks to the Gazette for the opportunity to present my views to the electorate of the St. Albert Protestant School Board.

My platform and views regarding "costs of education" have not changed, basically, since I served as Trustee for a period of one year in 1970-71.

They are as follows:

1. Cost of education must be compatible with revenues available.

2. Restraints must continue to be implemented and exercised to prevent needless and unproductive spending.

3. Spiralling costs of education must continually be examined, always keeping in mind that our standard of education is not jeopardized.

4. The need for an inventory control system is an urgent matter. It must be introduced immediately and continue to be maintained in order to prevent needless duplication and waste within the school system.

The experience that I gained during the year I served as Trustee, in particular with the finance committee, was invaluable.

I believe that the experience as a Trustee together with my administrative, accounting background and my dedicated concern in the education of our youth of St. Albert, will enable me to better serve you as a member of the School Board.

Murdo MacFarlane

First let me express the delight I share with all St. Albert residents at this public service so generously offered and skillfully presented by the St. Albert Gazette. It is another of those special good things we share living in St. Albert. St. Albert is still small enough to allow that warm

feeling of belonging, yet sophisticated enough to mount an exciting election over two vacancies and questionnaires.

My reasons for seeking election to the office of school trustee are built on the awareness that criticism seems essentially shallow if it is not accompanied by a willingness to serve. Because I have engaged in activities and discussions related to the total school picture in our district, it has been suggested by various people that I run for office. Some people have privately said that I would serve the district well in such a capacity, because my concern has not centered on one pet area but ranged the whole scene from pre-school on through our elementary and high schools to adult education, re-training, and community use of school facilities.

The central theme of my platform is that the people of St. Albert should know what is going on in our schools, and be informed of any proposals to modify the system.

We must not allow any incredible sleight of hand behaviour such as occurred recently where a school board changed the school year (in their wisdom) and then reverted when the people spoke loudly. In St. Albert we can still influence the board quickly if we have officers on the board capable of public spirit and belief in keeping the people in the picture.

In the next issues of the Gazette, specific points will be developed, and my answers to people's questions will be given openly.

Shirley McCaffery

We must ensure that school facilities and working conditions are the best so that teachers and students have the opportunity to make the most of the educational programs.

Because of the extreme importance of children obtaining a strong foundation in the basic educational skills in their formative years, a high degree of individual attention from the teacher is essential.

This important aspect of the child's early education necessitates a small pupil-teacher ratio so that the teacher can effectively deal with each child be a slow learner, exceptionally gifted, or of average ability.

Classroom enrollments MUST be smaller.

"Pre-school" education should be the right of every child. Fifty per cent of the child's learning potential is developed before the age of six.

At the present time many parents are unable to send their children to kindergarten for financial reasons. If pre-school education were to come under the jurisdiction of the school board, financed by the foundation program, every child within the town would have the opportunity to obtain the benefits of early education. The school board must make the provincial governments more aware of our concerns in this area.

Many children have learning disabilities which make it difficult for them to fit into the standard educational system. These difficulties may be attributed to minimal brain damage, sight or hearing problems, perceptual problems or behavioral problems.

A more intensive pre-school screening process would enable the parents and the schools to effectively deal with these children. The health unit testing of four year olds and the one-week Grade 1 orientation programs are a step in the right direction but are not nearly comprehensive enough.

If these programs, and remedial programs at the Grade 2 level are expanded, it will greatly decrease the amount of expensive correctional work to be done at a later date, not to mention the immediate beneficial effects for the children, their parents, and their teachers.

Bill Webber

As residents of St. Albert for the past 17 years my family and I have come to appreciate the community spirit which exists in our town. However, it is increasingly evident in today's society that people problems are being neglected in favor of our materialistic needs. Certainly St. Albert is not immune to this trend, particularly with the rapid growth we are experiencing and the tendency to lose a person to person relationship among the citizens.

In my opinion our educational system must be based on co-operation and understanding among all concerned. It is with a sense of concern for the continuation of this type of educational

climate for your family and mine that I have allowed my name to stand for school trustee.

It is the responsibility of us all to provide our children with an educational experience which will equip them to live a full and productive life. If I am successful in this byelection I will encourage this spirit of co-operation and understanding so that we may achieve this goal together.

The Board must be open to ideas for change, new concepts in facilities should be considered by the Board, and as representatives of the people they must determine if they will benefit the majority, if they are a necessity to a minority (Special Classes) and if they are economically feasible.

An item of concern to us all is the continuing increase in the cost of education. It is the Board's responsibility to ensure that full value is received for each educational dollar.

Planning of future schools should consider Joint Use. Making facilities available for community use without disturbing classroom facilities.

Planning of elementary schools should consider the neighborhood school concept which would alleviate the problem of busing younger children.

I believe my background will enable me to bring a practical approach to these and other problems which the Board must deal with.

David Merrell

Although his name is David, candidate for the Protestant School Board vacancy, Merrell, is more popularly known as "Don" which is his middle name. Don was born 44 years ago in Lachine, Quebec, a suburb of Montreal, of English heritage. His schooling was all in Lachine and he successfully attended courses at the Montreal Technical Institute. Being interested in youth he became active in the Scout Movement and was district cubmaster for the Lakeshore in Montreal for seven years.

Don has been married 20 years and has a family of three daughters and a son all attending school in St. Albert.

Active in the Anglican Church, he was treasurer of the Lay Readers Association for Diocese of Montreal, as well as being

people's warden for his local church. He is also a past master of a Masonic Lodge and is a 32 Degree Mason. Feeling that the youth were lacking in proper activities and facilities he was a key figure in starting a youth coffee house and was commended by officials of two towns for his foresight and sympathetic views towards the youth. Also being interested in the welfare of the poor and destitute Don was president of the Red Cross in the district of Vaudrevill-Soulanges. While he was president he successfully headed two financial campaigns.

Having worked on these public activities with French Canadians, he is fluently bilingual.

While working on these several projects, Don was also involved in the advancement of the technical and machinery industry. After working four years on the executive committee, he was chairman of the Society of Manufacturing Engineers, Montreal Chapter No. 50.

which had a membership of approximately 500.

The Merrell's came to St. Albert in 1971 when Don's company transferred here to cover Alberta and Saskatchewan. They live on Marchand Crescent. Although not elected to the school board in the past he was vitally interested in the students and the taxpayers welfare alike. A responsibility he feels everyone should share.

Shortly arriving in the west Don began to continue his public interest and is presently a lay reader in the diocese of Edmonton and is being nominated as people's warden of St. Matthew's Anglican Church here in St. Albert.

EDITOR'S NOTE: School trustee candidate David (Don) Merrell provided us with his biography this week but was unable to give us the copy for his 300-word platform. However, Mr. Merrell promised that he will submit his candidate's views next week.

Recreational - Tourist Developers

If you propose to develop commercial type, recreational or tourism facilities within the mountains and foothills, except National Parks and Indian Reserves of Alberta, you are requested to make written submissions to the Director of Lands, Department of Lands and Forests, Natural Resources Building, Edmonton, by February 28, 1973.

The written submission should outline proposed location, type of development, type of service to be offered, proposed date of development, etc.

For further information on requirements for your submission please write the Director of Lands or phone Edmonton 229-3841.

All submissions will be referred to the Environment Conservation Authority for consideration at the public hearings to be held in 1973.

NOTE: Deadline for submissions is February 28, 1973.

St. Albert-On-Sturgeon Players Plan Auditions Jan. 14

After a very full and active year the local drama club, the St. Albert-On-Sturgeon Players, is already looking forward to an even more successful new year.

With the recent success of "Greensleeves Magic," a children's Christmas play, behind them, club members have decided to make this an annual affair in the town. Over 600 people attended this year's production even though it coincided with the Grey Cup, and this resulted in \$411 in paid admissions. A colouring contest was run in the local schools in conjunction with the show and was very successful as well. But the best part of the production was the sight of the happy faces that sat spell-bound before the colour, lights, and music of a fine production. The number of young people from the town that were involved with the play, both on stage and off, was also encouraging.

Male Chorus To Sing At Lutheran Church

On Sunday, Jan. 14th a 30-voice Male Chorus made up of Camrose and Edmonton singers will sing at the 11:00 o'clock service at the St. Albert Lutheran Evangelical Lutheran Church.

Local people who have not had the pleasure of hearing this fine male choir are invited to attend the service and the church is located across from the Town Hall at 11 Glenview Crescent. This group is well worth hearing.

January will launch the new year with a bang for the club as two important events take place in the coming weeks. This coming Sunday at 2 p.m. auditions will be held in the lecture room at the St. Albert Public Library for an evening of three one-act plays planned for late February. Three local personalities will be looking for casts for their respective offerings: Joanne Reinbold, Ray Hunt, and Don Mills. All those interested in participating in this next production are invited to attend if only to indicate their interest at this time. Further details will be appearing in the Gazette in the coming weeks.

The following Sunday, Jan. 21, the club will be sponsoring a membership coffee party at the Clubhouse beside the swimming pool from 2 to 4 p.m. This will afford all newcomers to St. Albert as well as those interested in the club, an opportunity to drop by, meet the executive, and hear the plans for the remaining four productions planned for 1973. It promises to be an active year and the club extends a welcome to all to join in the fun.

The St. Albert-On-Sturgeon Players exists to involve people in the community in amateur theatre. An annual membership of \$2 is collected to give the club a financial base for the year. Anyone interested in joining the club or merely supporting it can buy a membership from any of the executive or at either of the previously mentioned club meetings this month. All present members are reminded that new memberships for 1973 are now due and are invited to obtain these at the coffee party on January 21.

Amateur theatre is alive and well in St. Albert in 1973!

CRTC Awards Licence To Capital Cable TV

Capital Cable TV Ltd., 7024 - 101 Avenue, Edmonton was the successful applicant for a broadcasting licence to carry a cable television system to serve St. Albert, Castledown, Leduc, Fort Saskatchewan and Spruce Grove. The Canadian Radio-Television Commission made the announcement last Friday.

In an interview with Jim Shaw, president and general manager of Capital, it was learned that the cable television firm has already made advanced plans for materials, equipment and micro-wave hookup negotiations to have channel 10 in operation in St. Albert by September of this year.

Mr. Shaw explained that plans had to be stalled while his firm awaited results of its presentation to CRTC in October, before materials and necessary negotiations could be advanced. He did say, however, that now with the licence issued plans are moving ahead to meet the September deadline. Mr. Shaw was not able to confirm whether St. Albert would be served through an extension from Castledown or via a micro-wave hookup with AGT, he did say that the problem was an internal one and would be solved

either way whereby Capital's outlined submission to CRTC would be fulfilled.

Regarding a studio in St. Albert, Mr. Shaw explained that this facility would become a reality after the town had been fully serviced. According to the submission made by Capital Cable

TV Ltd. October 3, 1972 to CRTC, the channel distribution will include three Canadian and two non-Canadian TV stations; four Canadian and three non-Canadian FM stations also local programming from a local studio.

The proposed installation fees are as follows: \$15 for first installation, \$10 for subsequent TV installations and \$10 for FM installations. Monthly fees will be \$6 for the first TV hookup, \$2 for subsequent hookups and \$1.25 for FM hookups.

Bob Lema Re-Elected St. Albert PC President

Derek Brown took over the election of officers portion of the St. Albert Constituency Progressive Conservative Association held Sunday in St. Albert Community Hall.

Mr. Browne announced that on the recommendation of the executive a new procedure was adopted for this election. Rather than nominating committee presenting a slate of officers for voting on, together with

nominations from the floor it was decided to entertain only nominations from the floor.

The following were elected: President Bob Lema - re-elected; Honorary President, Neil Ross and the following directors who will choose their other executive officers: Derek Browne, Dick Wilson, Alex Solanach, Eileen Gibbon, Bob Prather, Bernie Rempel, John McDonnell, Don Speers, Lena Post,

Molly Henderson, Helmut Entrup, Gordon Goodman, Ray Gibbon, Bill Flynn, Dick Ryley, Marg Davis, Ann Kampen, Bill Devereux, Doreen Grice, Jeanne Maurer, Howard Stinson.

Card of Thanks

May we express our gratitude to the business people of Grandin Merchants Association for their generosity and their tremendous co-operation in helping us bring Santa Claus to St. Albert. It was much appreciated.

Laurel Nessel, Elaine Supple & Gloria Stacey

Around Town

Members of the Vestry, Mathews Anglican Church Women are cordially invited to hear a special speaker from the diocesan committee. Topic will be regarding the proposed amalgamation of Anglican Church Women and the Parish. This special event will be held Monday, January 15 at 9 p.m. at the residence of Betty Anderson at 29 Grosvenor Blvd.

During a short chat this week with our fire chief

Fred Tetarenko, he told The Gazette that residents of St. Albert and surrounding districts did not make one single fire call during the Christmas holidays. Fred says this is the first time in many years that the Holiday Season has gone by without at least one emergency call. The fire chief wishes to congratulate all residents of the area for being fire conscious and hopes everyone keeps up the good work.

The administration has

Instituted a new policy at the Sturgeon General Hospital, effective January 1st. Every member of the staff on his or her birthday, receives a greeting card marking the occasion plus a little gift. For the female employees, each is presented with a rose while male staffers get a tiny birthday cake, complete with candle. First to celebrate birthdays in 1973 were Mrs. Mary Joan Gales, day co-ordinator, who was one of three to celebrate birthdays Jan. 2. She received a beautiful red rose and so did Mrs. Joanne Pointe, emergency nurse

and Mrs. Cathy Coelt, acting head nurse in the operating room.

Progressive Conservative delegates from the St. Albert Constituency are getting ready to head for Calgary for the annual convention January 19 - 21 which will be held in the Palliser.

This year's convention will be of special significance, in that it promises to include all levels of Progressive Conservative luminaries, from National Leader Robert Stanfield, Provincial Premier Peter Lougheed, all 19 Federal

Members of Parliament representing Alberta plus all provincial MLAs and members of the Alberta Cabinet.

Six voting delegates were elected from within the St. Albert Constituency along with a good number of alternates.

Roy Spychka, assistant postmaster from Peace River, is taking Al Mitchell's place as St. Albert Postmaster for about three months. Mr. Mitchell is going to be working as assistant area manager out of the Edmonton office.

A Sunflight Holiday.

Sunflight is not an airline, not a charter, but a complete holiday.

A good one.

Which includes everything from flight down to hotel to flight home. And we help with a lot in between.

You'll notice we said help, not organize.

So if you want a tour, fine, we'll help arrange one. But if you want a sleepy-lonely beach, fine, we'll help find one.

And our representative will steer you to all sorts of great things only a resident would know about. Like the best Mango ice cream in Nassau. Or the most magnificent fire-fly display in Jamaica.

Or how much is too much to pay for

this. And how much is too little to tip for that.

We started helping with holidays 10 years ago. Since then we've become the largest holiday planner in Canada. Affiliated with the country's largest bank, the Royal Bank.

That's why we can offer you a free 32 page brochure. And that's why we can carefully select the people who become Sunflights appointed travel agents and representatives.

And that's why each year thousands of Canadians leave home with us, stay with us, and come back with us. With good tans.

And good memories.

Acapulco. 2 weeks from \$474.
Bahamas. 2 weeks from \$389.
Hawaii. 2 weeks from \$329.
Jamaica. 2 weeks from \$455.
Mazatlan 2 weeks from \$315.

You can get your free 32 page Sunflight brochure at any Sunflights appointed travel agent or any branch of the Royal Bank.

A lot more vacation for a lot less money.

SUNDAY, JAN. 21 - St. Albert-on-Sturgeon Players membership coffee party at the Clubhouse from 2 to 4 p.m. Newcomers especially welcome.

Media Presenting Fine Tribute To Mounties

With 1973 here, the RCMP Centennial Year is off to a healthy start. Only two weeks into the new year and already a number of top-notch radio and TV programs relative to the Force have been aired. Many more are to come.

Part 1 of a television program (Telescope) last week, captured very vividly and realistically some of the early history of the RCMP. Part 11 of the program is scheduled for 9 p.m. on Thursday, Jan. 11th and will look at the training program of an RCMP officer.

Another TV program on Fort Macleod this past week gave a background of how and why the Force came into being, why the Mounties were red tunics, why the buffalo was selected as an insignia of the Force, and how 300 men were expected to patrol 300,000 miles of territory and to control 30,000 Indians. The story of Fort Macleod and the men behind this story came alive in this fine color presentation produced locally.

The first radio program of the "Tales of the Mounties" series, The Great March West, explained how the May 16, 1873 murder of 22 innocent Assiniboine Indians by whiskey traders resulted in the May 23, 1873 passage of an act by the Canadian Parliament creating the North-West Mounted

Police.

Four more programs in this series are scheduled on CBC radio, Tuesdays - 2:15 - 2:30 p.m.

Jan. 16 - The Treaty With the Blackfoot.

Jan. 23 - Walsh and The Sioux.

Jan. 30 - The Adventures of Inspector Denny.

Feb. 6 - Sam Steele Brings Peace to the Kootenays.

Sturgeon School Board Protests Increases In City Tuition Fees

Walter Heppler, Information officer for Sturgeon School Division, reports this week on a number of current items before the school board:

The Divisional Board has indicated to the Edmonton Public School Board its opposition to a proposed increase in tuition fees for high school students from \$170 to \$190 for the 1972-73 school year. About 335 Sturgeon high school students attending Edmonton Public Schools are involved in the proposed increase.

The Annual Meeting of the Sturgeon School Division will be held at Sturgeon Heights School on March 19, 1973. In settling the location, the board is continuing its policy of holding the annual meeting in a

different school each year. Last year's meeting was held at the Gibbons School with about 30 persons attending.

Mr. Glenn Berry, M.D. Councillor representing the Calahoo-Riviere Qui Barre area has been appointed as MD representative to the Sturgeon School Board by the Municipal Council.

At the request of the Thibault School Board the Sturgeon Board met with Thibault trustees on Dec. 20 to discuss the proposed Sturgeon High School and its implications for high school services in the area.

Mrs. Charlene Peel has been appointed to the staff as acting vice-prin-

incipal of Bon Accord School as an upper elementary teacher effective Jan. 3. The appointment resulted from an increase in enrolment at Bon Accord since the beginning of the school year.

Mrs. Helen Mills was appointed to the staff of Nemo School to replace Mrs. Norma Clark who had requested a leave of absence from Jan. 3 to the end of the school year.

Mr. Vernon King, acting principal of Horse Hill School was appointed vice-principal effective Feb. 1, 1973 to succeed Mrs. Barbara Sykes whose appointment as acting vice-prin-

icipal expires on that date. Mr. A. Letts, who has been on a year's leave of absence in Australia will resume his position as principal at the beginning of February.

The Sturgeon School Bus Operators Association has requested the opening of negotiations with the Sturgeon Board for a new contract.

Calgary Power has indicated to the board some of the details of its proposed new rate schedule. Power costs for school operation in Sturgeon are expected to increase by 20 per cent, if the new rates are approved by the Board of Public Utility Commissioners.

Vimy And District News

By Jeanne Laplante
REV. A. DESJARDINS

Great shock and sorrow was experienced by the population of the district at the news of Rev. A. Desjardins passing away. He will long be remembered especially by his parishioners of Vimy where he was the residing priest. His ever present smile and kindness to all always evoked encouragement. As a fellow knight and Christopher he showed sincere leadership in social and religious functions which he performed.

Born in Morinville on Nov. 27, 1926, Father Desjardins spent his childhood and elementary studies in Legal. His classical course, including philosophy, was taken at St. Boniface College, Manitoba and he returned to St. Joseph's Seminary, Edmonton for Theology. He was ordained a priest on June 5, 1955 by Archbishop MacDonald.

He was named assistant priest at Legal in 1956 and joined the St. Paul Diocese in 1957 where he was pastor at Grand Centre for two years. His next mission was at Ste. Line until 1968 when he was named resident pastor at Vimy and included ministry in Rochester and Picardville.

Besides his loving mother Alpha, resident of Legal, he leaves to mourn four brothers and two sisters: Paul, Philippe, Armand and Aurelie all of Edmonton, Mrs. Y. Gaboury, Prince George, B.C. and Mrs. A. (Marie) Gaboury, Edmonton.

Funeral services were held in Our Lady If Victories Church on Wednesday, Dec. 20 with 42 priests in attendance and Most Rev. Raymond Roy, bishop of the diocese of St. Paul officiated. Honorary pallbearers were seminary colleagues, namely, Rev. L. Morrissette, Rev. F. Patule, Rev. D. MacDonald, Rev. D. Mac-

Donnell, Rev. J. Hesse and Rev. L. Teller.

Pallbearers, all nephews of the deceased, were Ray and Michel Desjardins, Paul Gaboury, Greg Davies, Claude Cyr and Denis La-tan.

Interment followed in St. Benoit Legal Cemetery.

To the bereaved families our sincerest sympathies and may he rest in peace.

Engagement congratulations are extended to the following who were recently engaged: Miss Agnes Pelletier and Raymond Rivard, Miss Denise Fagan and Garry Schreiner, Miss Juliette Gagne and Raymond Hills.

Mr. and Mrs. Gene Kantor and family from Jasper spent the Christmas holiday with their parents Mr. and Mrs. Henry Bernard.

The winners of the national contest held last year by the Educational ABC's of Industry were Darci Didier, Colette Huot, Shirley Bernard, Rita Bilodeau and Louis Dechamplain. The school was also awarded a cheque for \$95 for participation.

Bob Dubois and Miss Marie Richert were united in holy matrimony in a lovely twilight ceremony in middle December. Reception and dance followed in the community hall. Very best wishes extended to the happy

newlyweds.

Mr. and Mrs. Wilfrid Seguin who have been holidaying in the south were visitors in the area during the holidays. Other visitors included Mr. and Mrs. Roland Provencal, Sister Lucienne Landry, Mr. and Mrs. Roy Stak, Mr. and Mrs. Bill Rosmabel, Mr. and Mrs. Maurice Provencal, Sister S. Champagne.

Mr. and Mrs. John Dussault were happy to have their son Roland, attending the Royal Rhodes Military College spend the holidays with them.

KREMER & KREMER
Ph. 256-3043
MORINVILLE

By Liz McLeod

We are so pleased to note that in the Edmonton Branch of the Canadian Author's annual Poetry contest, with 1,590 entries from all across Canada, that Mrs. Jean Butler placed second in the humorous verse class. Congratulations Jean! Jean, who is a member of Onaway Women's Institute first tried her hand to writing when the Stony Plain-Lac Ste Anne Constituency held a writing competition in 1972. At that time she placed first and second for her verses, and was highly commended by author John Patrick Giliese now head of the Alberta Youth and Cultural Branch.

Calahoo WI held their directors meeting at Emelia Schermmerud's home Dec. 28. Present were Past President Mrs. K. Dahlheim, President Mrs. V. Albrecht, Secretary Mrs. P. McLeod, Directors Mrs. F. Brown, Mrs. J. Carthy and Mrs. G. Schermmerud, and Mrs. F. Lischewski. Three husbands Vic Albrecht, Fred Brown and John Carthy enjoyed visiting while the ladies mapped out the year books ready for Miss Marlene Schermmerud to type them up for us. An always pleasant visit ensued and we were sorry Gordon Schermmerud had to go to hospital so soon after Christmas.

CALAHOO SPORTS
Keep up the good work Calahoo Scorpions this is

good weather for hockey. In the bantam league the Calahoo boys hockey team, with Serge Gironx coaching, travelled to Spruce Grove for a game which they won decisively 7 - 1. They have had games with Wintburn, Enoch and Devon. Keep up the good work boys.

My, it never rains but what it pours. The John Carthy's heard the sorrowful news of John's brother-in-law's death, and went to his funeral at Invermere, B.C. Only a few weeks later he got word that his sister-in-law had passed on. Mrs. Joseph Winnie Carthy's funeral was in Prince George, B.C. and John and Anna, taking along two sisters, Eva Lefebvre and Pearl Krebbling, motored there to attend on Dec. 14. It's the first time for years that the remaining three sisters and four brothers in the Carthy family have been all together at one time. Don't you think it takes a wedding or a funeral for families to gather anymore?

Congratulations on your 89th birthday Mrs. Carrie Akerman this past Dec. 13. Mrs. Akerman still enjoys good health and their family are very important to both her husband and her. They are sports enthusiasts and still enjoy bowling and curling. Mrs. Akerman won a first for her drawing and painting of her home as she remembered it in England

at the Exhibition a couple of years back and enjoys using the paint brush. We wish you good health and good luck in the years ahead. May all your dreams come true.

Wow! What a way to spend the festive season. Bob Royer had taken his daughter Karen up town for some last minute Christmas shopping when another vehicle ran into Bob's causing him to have eight stitches to his chin and Karen receiving a broken jaw. Both are healing nicely.

In another mishap Tommy Cart got hit with a hockey stick playing floor hockey at school in Barrhead and received a broken nose plus two black eyes. Tom stays with his sister and brother-in-law Dwane and Doreen Schneider to finish his 12.

Brother Murray who just came home from Barrhead Hospital had his tonsils out so wasn't in the best condition for all the festivities the week before Christmas.

Do hope David and Doreen Quintal's son Timothy didn't have a long stay in hospital Christmas just wouldn't be the same without his presence.

Mrs. K. Sybil Thatcher and Scott flew down to Montreal to join her husband and Scott's father, Ken, to make the return trip by car. Son Craig had a few days visiting their former home also saying their goodbyes to friends since the family will now reside in Calahoo district on the late Alvin (Buster) Thatcher's place. This district is so happy to say welcome to your new home, both the Ken Thatcher's and Mr. and Mrs. John Thatcher.

CARD OF THANKS

Thank you to all our friends, neighbors and relatives for floral tributes and sympathies in the death of our dear husband and father, Mr. Arthur Salgo. A special thank you to Father R. Bernard OMI and Mr. Ed Savole.

Mrs. Clara Salgo and family,
Villeneuve.

News Report From Bon Accord

By Sadie Allen

The Bon Accord Holy Trinity Church service for Jan. 14 will be held at 2:30 p.m. and will be followed by the annual congregational meeting. All interested persons are cordially invited to attend.

A standard First Aid course sponsored by the Workmen's Compensation Board will be held in the Bon Accord School sometime in February, exact time and date to be announced later. It is open to anyone in the Bon Accord - Gibbons area and is free to all those paying Workmen's Compensation. Otherwise the charge is \$10 for adults and \$3.50 for students. The course will be under the direction of instructors from the WCB assisted by Mrs. Ruby Lampkin who is area representative for St. John Ambulance Corps. On completion of the course, interested people will be forming a Brigade Unit for the district.

Mrs. Charlene Peel has been appointed to the teaching staff of the Bon Accord school, teaching reading in the upper elementary grades. Mrs. Miller has resumed her duties as grade 2 teacher.

Mrs. Ruth Cline was presented with a life membership in the Anglican Church Women's organization by members of the Bon Accord Holy Trinity ACW at a recent service. Present for the occasion were Mrs. Edythe Moir and Mrs. Barbara Ellinger, president and secretary respectively of the ACW.

Team standings as of December 29, 1972, of the Sturgeon Valley Minor Hockey League.

of the Edmonton Diocese.

The annual general meeting of the Alberta Goat Breeders' Association will be held in the Bon Accord Community Centre on Sunday, Jan. 14 at 2:30 p.m.

Anyone interested in taking either modern jazz, physical culture or both are urged to attend a meeting in the B.A. Community Centre on Wednesday, Jan. 17 at 7:30 p.m. Classes will be conducted by Marlon Nicholson and Rita Milligan. Teen-agers are extended a special invitation to be present. This will be an organization meeting.

Members of the #524 RCAF Squad entertained residents of the Senior Citizens Lodge and Nursing Home in Legal on Dec. 26. Kendall Lewis enjoyed a flight recently as a member of the crew of a service plane carrying supplies to Inuvik. Similar excursions are planned for senior members.

Vimy 4H Club Activities

By Jocelyne de Champlain

On Dec. 6 the Vimy 4H Needles Sewing Club held a business meeting with 24 members present. Standing in one of the Vimy school classes, with Bev Brown at the chair, the club sang "O Canada" and then repeated the 4H pledge led by Lucy De Champlain and Denise Huot.

Out of all of the different club crest ideas drawn by all members and leaders the one that Mrs. Montpelt had drawn won the most votes and will be sent away to be

ther there was no turnout. The alternate date was Jan. 11th, but the association decided that date to the special meeting of town council etc., and now the date is JANUARY 18th at 8 p.m. in the International Building. Please plan to attend.

There are five vacancies on the board to replace retiring members: Pete Gibeault, Father Primeau, Ray MacDonald, Yvonne Turgeon and Anne Maslyk.

The association this year has a nominating committee so don't stay away simply because of the old excuse.

The committee is comprised of Pete Gibeault, Father Primeau and Matt Teller. January 18 at 8 p.m. - the future of our Frontier Daze lies in your hands so come and voice your opinion.

Alcomdale 4H

Mary Mensink led the 11 members present in the pledge to open the fourth business meeting of the Alcomdale 4H Clothing Club, held at the home of Mrs. Seib in December.

As all the members were interested in a winter outing, it was decided to have a skating party at the Westlock arena. Everyone had a very good time skating there on December 28th.

Following adjournment of the meeting a delicious lunch was served.

bers of the Cadet Squadron. A miscellaneous shower will be held in the Community Centre Clubroom on Jan. 21st at 2 p.m. for Mrs. Lionel Sale (see Janet Ponder).

Winner of the doll raffish by the Sacred Heart Parish Council before Christmas was Tracie Metcaluk not Tracie Kotanko as previously reported. Our apologies are extended to both girls.

The Bon Accord 4H Light Horse Club are sponsoring a dance on Friday, Jan. 19 in the Community Centre from 9:30 a.m. to 12:30 p.m. Music will be by Adromina.

Awards Night for cadets of #524 RCAF Squadron was held on December 19, 1972. LAC Flizer was promoted to Sargeant. Promoted to corporals were: Lac's Loblick, Kelly, Melnychuk and Moore. Cadets promoted from AC to LAC were: Coulombe, Acet, Grant, Greshuk, Hills

made out for the members. After having moved and seconded that our club have a rust skirt and vest with a white blouse as club uniforms, we then decided on what colors to have our crests made. The colors most appealing to the parents and members were: green, black and gold.

We then read the correspondence, informing us of our district and council meeting on the 7th of December. Mrs. Brown who could not attend, asked Mrs. de Champlain to replace Jocelyne de Champlain, the Jr. Rep., and Mrs. de Champlain attended that night.

The treasurer, Cecilia Montpelt, reported that we had collected \$11 from the membership fee.

We then heard the leader's report. First on the list was a reminder to all the members, who were intending to attend the Ice Capades, to make sure their money was handed in to Mrs. Bernard before Jan. 3, if at all possible. If there was any ticket money on any of the members' hands there to give it in either to Cecilia Montpelt or to Mrs. Brown. It was also said that all members who were to attend the 4H Christmas party in Picardville to be there by 7:30 p.m. The last thing announced by our leader was our own club and families Christmas party. Mrs. Robert Huot was put in charge of picking up Santa's candies and bagging them up. Denise Huot, Mrs. Dubois, Lucy and Jocelyne de Champlain were put in charge of the entertainment.

Immediately following the leader's report we introduced our guest speaker of the night Miss Ward, who showed us how to make several ornaments. Some of these were: a crab, an elephant, a bear, and a few other things. We thanked her and then had an appetizing lunch served by Debbie Henderson, Jocelyne Fortier, Carmen L'Heureux and

(Wayne and Patrick), Messier Nicholson, St. Jean Van de Walle, Wildman and Zenderan. Flight-Sgt. Kirk Carleton was presented with his wings which he earned this summer at Namau Service base. A film on Bush Survival was shown. Serving of refreshments rounded out the evening.

The 4H Light Horse Club held a work meeting at the community centre on Saturday, January 6. Members were shown the proper care of equipment.

The Ladies Community Club report a very successful New Year's Eve Frolic with a sell-out crowd in attendance.

The senior hockey club continue to hold their own league games. Friday saw them play to a tie with Namau. On Sunday they won over Legal with a close 2-1 score. Casualty of Friday night's game was Hughie Allen who suffered a broken ankle.

Elaine Huot. The meeting was then adjourned.

On Dec. 9 a few of our members attended the Picardville 4H Christmas party. They were: Jocelyne de Champlain, Lucy de Champlain, Maxine and Mary - Jean Yaremko and Marilyn Wilson, and Elaine Huot, with their mothers Mrs. Yaremko, Mrs. de Champlain, Mrs. Brown and Mrs. Huot. We had a very pleasant evening while the other clubs put on their plays. From our club Marilyn Wilson performed an acrobatic routine and Jocelyne and Lucille de Champlain performed a balon routine.

Our 4H party was planned at the home of Mrs. Dubois on Dec. 12. Jocelyne and Lucille de Champlain, Mrs. de Champlain, Mrs. Dubois, and Coline and Rossanne Dubois were attending.

Before our party, Dec. 18, the 4H member's mothers gathered up at the home of Mrs. Robert Huot to help bag the candies. The mothers attending were Mrs. Huot, Mrs. de Champlain, Mrs. Dubois, Mrs. Brown and Mrs. Montpelt.

After all this preparation our party day finally came, Dec. 20, where we had fun games for all ages. Jocelyne de Champlain, who was master of ceremonies welcomed everyone there and then the 4H members lined up losing "O Canada." And repeated the 4H pledge led by Celine Dubois and Elaine Huot. Afterwards they sang a few carols and then had the games for all the different age groups from ages 5-15. The preschoolers sang a song, Marilyn Wilson performed an acrobatic routine, Mary-Jean and Maxine Yaremko sang Silent Night, and Debbie Henderson sang Jingle Bells. We then had a break for the children and had the parents Kangaroo Court which gave Santa an extra half hour to get ready. After the excitement at the Kangaroo Court, the 4H members sang Santa on, who

District Farmer Dies At 86

George Gaston Quaghebeur passed away Dec. 18 at the age of 86 years. He is survived by his wife, Exilda, at Yoville Home St. Albert, two daughters, Mrs. A. (Mary) Cammel, Edmonton and Mrs. M. (Alice) Borle, Riviere au Barre; four sons, Joseph of Thorild, Roger of Edmonton, Gerard and Norbert of Legal; 39 grandchildren and 8 great grandchildren.

Mr. Quaghebeur was born Feb. 26, 1886 in Watov, Belgium. He came to Canada in 1919, to be followed by his

wife and two children in 1921, when the family settled on a farm in Tawataw district.

He was predeceased by his wife in 1928. In 1941 he began farming in Volmer, remaining for three years, before moving to Legal district, where he farmed from 1944 until 1952.

In 1955 he remarried and in 1958 both he and his wife moved to Chateau Sturgeon. At the time of his death he was a resident of Yoville Home.

Rural Recreation

By Carl Royan

TAX ASSESSMENT FOR RECREATION?

With the MD of Sturgeon financial statement which will be sent to each taxpayer in the MD of Sturgeon will be a questionnaire asking taxpayers: if they wish to have a mill rate assessed for capital building of recreational facilities. I think there has been some misunderstanding over this in that this mill rate would be used for facilities throughout Sturgeon and not strictly for the proposed area of Gibbons. A tax assessment would allow for proper planning of facilities for the total Sturgeon area. There will be a great amount of information available to any person who wishes between now and the mailing date in late February and perhaps a series of public meeting where any questions may be asked. Keeping this in mind what the Gazette for more information on this

had candles for all the good children.

Lunch was served by the members and prepared by the mothers.

On Dec. 28, the Vimy 4H Beef Club invited the Vimy Needles 4H Sewing Club to attend their skating party. Most of our club was there and we spent an enjoyable evening skating at the Vimy skating rink.

WINTER PROGRAMS

With the new year many winter programs will be starting in each area served by the Sturgeon Recreation Board. If you have any requests for a program in your area, contact either your community league, your recreation board representative or our office for more information. If you would like to know what programs are being offered in any area whether it be the one you reside in or not contact our office at 256-3321 or 424-6276 for the information.

NAMAO

By Norma Crozier

Many Namau area residents are in hospital this week and we wish them all a speedy recovery. On the sick list are Bob Kinderman, a patient in University Hospital, Earl McLay in Sturgeon General Hospital and Verna Barnett in the Royal Alexander Hospital.

Holiday visitors at the Doug McBurney home were Joy's sister and her family from Mission, B.C., son Darryl and daughter Wendy from Lethbridge.

A reminder UCW at Alma Paul's on Wednesday, Jan. 17th at 1:30 p.m.

ASK ABOUT OUR LEASE PLAN

MORINVILLE MEMOS

By Flo McGlanni

Now that everyone has finally dug out from under the huge snowbanks that covered the town at New Years, things are again beginning to bustle with 1973 energy.

Due to lack of time to get around town regularly I would ask all organization secretaries to drop their news items off in the Gazette Mailbox at its new location. Otherwise "news may be very scarce." If I can help at all please give me a call at 256-3248 between 9 and 5 weekdays.

The coach, management and players of the Morinville Senior Hockey League would like to remind you all to get your tickets on the Morinville Seniors' raffle. The prize is a beautiful country scene painted by one of our local artists, Mrs. Rlopet. It is 48" x 24" and has been valued at \$250. The draw will be made the last week in January. Tickets are available from any player in the Morinville Senior Hockey League, and only cost \$1.00. Come on Morinville, lets support our Senior Hockey League!

The monthly supper meeting of the Morinville Board of Trade was held on Jan. 8 and a full report will appear next week. Memberships are now due and on sale and you can contact either Don Derby or Romeo Boissonnault for further information.

The Recreation Board will
SELL IT THROUGH THE
WANT ADS
PHONE 599 - 7144

hold its next meeting Thursday, Jan. 25 in the Rec. Board Office and since it is the annual meeting all members are expected to be in attendance. Please note the date change.

January 11th will see a special meeting between town council, Thibault School Board and the Recreation Board to discuss fully the question of Regional Recreation.

Our local library reports that "A Whale For the Killing" by Farley Mowatt which appeared in many people's Christmas stockings this year is now on hand at the library. Jessie Clark reports that this is a very well written book and easy to read. Fascinating in fact, but very sad.

Morinville Library subscribes to many magazines and these can either be borrowed or a pleasant hour can be spent reading them in the library. Patrons are reminded that if they do not see their choice they only have to enquire. Some of the periodicals on hand are: both the National Geographic and Canadian Geographic; News Week; Ladies Home Journal; Seventeen; and the Canadian Consumer; and Chetaine in the French edition.

The many German residents of our district may be interested in the German Book Fair to be held at the Centennial Library in Edmonton from Jan. 10 to 20. The finest books in production will be on display, also old books of great value.

Paul's Confectionery is our local Dottie Depot and

I'm sure after the holiday season many people will be glad to know that they can take practically any and all bottles in for refunds. Bottles are worth something now so there is absolutely no need for any littering of our streets, highways and ditches.

Now that Christmas and New Years are over for another year we will all be taking down decorations and either storing them away or sorting out what to keep and what not to keep. Don't forget that the Drop-In Centre which is in operation every Sunday at the International Building can always use discarded items. Also the brownies and guides make good use of many items of this nature. Lets remember our own community and see if we can help each other out a bit.

Speaking of New Year's Eve, it has been reported that the Frolic held at the local Legion was a great success. About 80 people enjoyed an evening of celebration, dancing to the music of Art Chiffoux and group and dining on a delicious midnight supper served up by Mrs. Rockwell and company.

The owners of snowmobiles are again reminded that the streets are off-limits to the machines and also that there is AN 11 P.M. CURFEW.

Pertaining to everything, let us all try to communicate and co-operate to make a better town, district and nation.

Bon Accord Advised Assessment Deadline Extended To Monthend

Bon Accord Village Council met on Monday, Dec. 18 for their final meeting of 1972. All members of council and staff were present as well as the maintenance foreman, who sat in as an observer.

Due to the fact that the Assessment Branch of the Department of Municipal Affairs is flooded with work, a Ministerial Order had been received from the Chief Provincial Assessor extending the deadline for the General Assessment to Jan. 31, 1973.

Up-to-date fire protection data is being prepared which will be forwarded to the Canadian Underwriters' Association immediately. Since fire hydrants are now installed, it is hoped that reduced fire insurance rates will be available to village residents. Investigation had been made regarding a portable fire pump and prices are now on hand.

Approval was given to Alberta Government Telephones to bury cable along 50th Street.

Representatives from the Community Centre Board came to discuss recreation and the revision of the Recreation Bylaw. This revision is necessary in order to be eligible for Capital Grants. A lengthy discussion took place on the Regional Recreation Board and its regulations. Council is in agreement with the idea of such a board, in principle. It is expected that a meeting will be held with other cooperating authorities before final decisions

are made. A new list of resident ratepayers who will be entitled to receive the St. Albert and Sturgeon Gazette in 1973 is being prepared. For the first time this list will include the names of mobile homeowners.

A motion to change the Building Permit Fee was passed at this meeting. Effective January 1st, 1973, building permits will be issued at the following rates: Dwellings, Garages and ad-

ditions thereto - \$1.25 per 100 sq. ft. (Minimum charge \$5.00). Commercial Buildings and additions thereto - \$25.00 flat rate.

While the matter of dogs running loose in the village was not discussed by council, due to lack of time, sufficient complaints have been received at the office to warrant a further request to dog owners to respect the rights of others and keep their dogs under better control.

LEGAL LOCALS

By Lucienne Montpetit
Normand Ouellette flew to Evansville Indiana recently, to attend a special school for specializing in Crane maintenance for Ferguson Supply.

A warm welcome to Mr. and Mrs. Robert Parent and family who moved in Louis Lecavalier's house during the holidays.

Mr. and Mrs. Gordon Carlson are happy to announce the arrival of a charming daughter Christina born on Dec. 13 weighing 8 lbs. 9 oz. Congratulations to the happy parents.

Mr. and Mrs. Robert Montpetit and Larry from Kelowna and Donald Montpetit from Penticton, B.C., spent the holidays with their friends and relatives in the district.

Mr. and Mrs. Paul Ozpiko and family spent the Christmas holidays in Hawaii.

Sincere condolences to Norbert and Gerry Quagbeur who are mourning the loss of their father Mr. George Quagbeur.

Anyone interested to start playing hockey or to learn how to skate (no age limit) lessons are given each Saturday morning from 9 to 10:30 a.m. by Bob Holzer.

The teachers and students are to be commended for the beautiful Christmas concert held in the school gym on Dec. 21.

Mr. and Mrs. Paul Chauvet had a happy family reunion at Christmas. Their eight children hadn't been together for this special occasion for a number of years. Mr. and Mrs. Robert Chauvet came from Ottawa, where Robert is a French teacher in the federal government French program.

While Michel came from Grenoble France where he is studying for his P.H.D. in history.

Mr. and Mrs. Denis Drollet and family from Norman Wells were visiting at the home of Mr. and Mrs. Leon Prefontaine and Walter Van de Walke.

Father Claude Prefontaine from Ottawa was visiting with his brothers during the holidays.

Get well wishes to Mrs. Richard Maurier and Mr. Joseph Theberge who are hospitalized.

The 524 Sturgeon entertained at the O'Meara Lodge and the Chateau Sturgeon on Dec. 26. The cadets from Bon Accord, Legal and Gibbons were accompanied by Captain Loblick and Mrs. Loblick also Mr. Bill Carlton from Bon Accord. Many thanks to the Captain, Mr. Carlton and the cadets, it was greatly appreciated.

The festive holidays were really happy for Mr. Zenon and Lorenzo St. Jean when they were reunited with their sisters after 19 years. Mrs. Marie-Ange Labelle from Vancouver, Mrs. Ernestine Garneau from Seattle and Mrs. Imelda Ulaire from Marathon, Ontario.

The New Year's Eve Frolic sponsored by the K of C was very successful. Everyone had a gala time and danced to the swinging music of the Golden Nuggetts. With noisemakers, party hats, balloons, the sell out crowd of 180 rang out the old to welcome the New Year 1973. Louis Lecavalier and his helpers are to be commended for the organization and the beautiful festive decorations.

Sturgeon Recreation Board members at their organization meeting for 1973: bottom row from left, Katie Mabbutt, Angus McDonnell, Chairman Larry Paul, Joan Clark. Standing are Keith Everitt, Rene Victor, Reg Crozier and Reg Austin.

Sturgeon Rec Board Elects 4 Members

By Carl Royan

The MD of Sturgeon Recreation Board held its organizational meeting for 1973 on Monday, Jan. 8, Larry Paul was re-elected chairman of the board and Angus McDonnell was elected vice-chairman.

Four new members were welcomed to the board, these include: Mrs. Joan Clark

representing Division 1; Mr. Rene Victor representing Division 3; Mr. Jim Kyle representing Division 5 and Mr. Keith Everitt representing Division 6. Other board members are Mrs. Katie Mabbutt, Division 7; Mr. Reg Crozier, municipal council representative and Mr. Reg Austin, Sturgeon School Division representative.

GIBBONS NOTES

The winner of the Gibbons Recreation Beef Raffle was Dan Hall with ticket #0677, congratulations Danny. Winning ticket seller was dad, Ernie Hall.

Sno Ball '73 is to be held Feb. 16, 17, 18. The three queen candidates are Recreation Board - Peggy Williams, Legion - Cathy Morin and Lions - Ann Ranson. The girls will be out selling tickets, three draws will be made for prizes of \$50, \$25 and \$15. By purchasing these tickets helps your candidate reign as Sno Ball Queen and gives you a chance on a prize, as well as giving you and your children a skating rink to use. Lets all do our part. The snowmobile races will be Sunday, Feb. 18, for more information phone Albert Steinwald at 799-3898. A curling bonspiel will be running and to place an entry phone Earl Toone at 799-3844. The Sno Ball parade is Saturday, Feb. 17 at 10:30 a.m. More floats and entries are needed. Please contact K. Mabbutt 799-3896 or Jim Hogg 799-5847.

The Sno Ball Queen will be crowned at the teen dance Friday, Feb. 16. Hockey and broomball will be played all weekend. The Old Timers game will be played Sunday at 7 p.m. following the Bean supper. Everyone's support is needed to make this weekend a success. The Sno Ball dance is Saturday, Feb. 17. Tickets will soon be on sale.

Get well wishes are extended to Mrs. Bernice Knott in the General Hospital at Fort Saskatchewan and Dale Boettger having knee surgery at the Royal Alexandra Hospital in Edmonton.

The Legion Bingo will start again on Saturday, Jan. 13, 1973.

Forty members of the Gibbons hockey teams enjoyed a night out at the Oil King hockey game on Jan. 4th. Dick Vissercher was the winner of a jacket.

Sincere sympathy is extended to Mr. and Mrs. Mike Whelan on the death of Mr. Whelan's mother.

Sympathy is extended to the Walter Chipchear family on their recent bereavement

Mr. and Mrs. Pat Sprague and children have returned to Fort Nelson, B.C., after spending Christmas here with relatives and friends. Both Mark and Irene celebrated birthdays while here.

Mr. and Mrs. Stan Mabbutt, Mr. and Mrs. Buck Mabbutt and children motored to Surrey, B.C., for the holidays at the home of Mr. and Mrs. Jack Reima (nee Mabbutt) and family.

The Gibbons Emmanuel Anglican Church annual meeting will be held on Jan. 23 at the Legion Hut at 8:30 p.m.

By Liz McLeod

Haven't we had just one of the most beautiful Christmas week's weather in many a year. 'Twas so easy to get around.

Vic and Betty Albrecht enjoyed going to Don and Margaret Douglas' home on Christmas Eve and had opportunity to visit with Danny and Diane Douglas who came home and Mary Jane and Eddy at home.

On the 25th the Albrechts' were hosts to the Douglas' enjoying the festivities even though Betty has difficulty walking since the cast is off her foot.

The next day Vic and Betty invited their daughter Virginia and husband Eddy McCann and family. To make the family complete they phoned their daughter Leona in Maine, where newlyweds Elaine and Hal Ohlman had gone for the holidays. What a surprised and happy Leona when she told Elaine it was mom calling.

Christmas at the Ferdin and Lischewski household was joyous with the children John and Johanna Borie, Sandra and Janine, Gordon and Gertrude Bergstreiher Leah and Trevor, and Arthur and Valerie Lischewski with one year old Dec. 26th, Nicole Dawn coming home and Willie and Mardell and Erwin and Lillian Lischewski's phoning from Hinton and Jasper respectively.

Gordon and Arthur with Sandra and Leah came over to their neighbors on the skidoo's in the evening to wish Pete and Liz the best also. The next day Ferd and Elsa were so pleased to have a visit from one time neighbors Mr. and Mrs. R. Schmidt from Westlock bringing with them another former Green Willow resident, Mrs. Martha Czarnicki, who was spending Christmas with her son Edwin and family at Westlock.

Thanks to Gordon and Emelia Schermund for the invitation to the delicious Christmas dinner on Dec. 24 which John and Addi Thatcher and Pete and Liz McLeod shared along with their sons Barry and Michael. This same day Ken and Sybil, Craig and Scott Thatcher who had just returned

from Montreal stopped to wish us all well and to especially visit with Gordon and Emelia since they are now their new neighbors and have always been very close friends enroute to Sybil's mother's home for their planned dinner.

Then on the ensuing days many friends and relatives stopped by to visit Gordon and Emelia, Karl and Vera Schermund, Henry and Emma Burlotte, John and Clara Schermund, Andrew and Emma Miller, John and Erna Wietzel, Bill and Alma Webber, Douglas and Lillian McLeod, Lloyd Bergstreiher, Roy Schermund and Adalard Paquette, to name a few took advantage of the beautiful weather and came out.

Jim and Elisabeth Verbeek, and sons, Errol, Dale, Harvey and Wayne enjoyed Christmas at home this year Elisabeth's parents, Werner and Toni Christen were so happy to have their family including Harold and Nancy Christen and Nancy's sisters, Connie and Beckie and Rudy at home with just Walter from Vancouver, B.C. missing.

Later in the day it was so nice to have your neighbor call to wish you all the best.

Wilfred and Dolly Majeau were happy to have their daughter Vivian (Butch) and John Flaherty from Dawson Creek home for the holidays.

Dolly has been keeping her granddaughter while Butch was recuperating from surgery and will be lonesome indeed when mother takes her daughter home. Dolly's daughter Eleanor and hubby Bill Reynolds and family live next door so it was nice to have a few children home anyway.

Howard Majeau was hoping to get home for New Year's.

A change is as good as a rest and when you are busy keeping store its nice to spend Christmas with relatives. This was the case for Jack and Chris Zacharias who took four days off to attend a family reunion on Jack's side and go on to visit relatives on both sides in Saskatchewan.

Holiday Celebrations in Calahoo

Fred and Madeline Brown's children and grandchildren all made it home for Christmas and New Years and after enjoying each other and all the good food and gifts Mr. and Mrs. Brown took a trip to Vancouver, B.C., to visit Fred's mother who has come through surgery well and Madeline's brother Art and family besides other relatives and friends.

For several families it was a quiet Christmas spent at home but ever so good to be together enjoying such lovely weather also, and for the Pete McLeod's it was the first time their daughter Sharon wasn't home for Christmas but Liz's sister Bertha Chapman spent two days at home and her niece Judy and husband Will Baran shared the joys, but perhaps the biggest thrill was having Doug and Lillian bring their son Cameron Douglas home. Cameron is our very special grandchild and one can spend endless time with him. The two days

they spent at home gave Grandma and pa an opportunity to play with him. Then the next two days they spent at Lillian's parents, Sam and Violet Klaus of Onoway so uncle's Harold and Allan could also enjoy Cameron.

Then on Dec. 31 both families got together at Klaus's the occasion being Lillian's birthday, plus the fact we parents wanted to get together and in the evening the young folks could go to the New Year's Eve Frolic of their choice to usher the New Year in, in fine style.

Most Chinese families in Hong Kong pay faithful homage to the Kitchen God who supposedly brings prosperity and enjoyment to the family table. One week before Chinese New Year, he goes on "Home leave" to inform the Jade Emperor of the behavior of the household. The family makes many extra offerings at this time in hope of a favorable report.

Water Safety Instructor Clinic

Sponsored by the St. Albert Safety Council, YMCA, Water Safety Division, Red Cross Society

BEGINNING JAN. 16 - 7 P.M. at the West YMCA
*Open to anyone with a Red Cross or YMCA Life-Saving Background

*Examinations available to anyone 17 or over by April 30, 1973, leading to the following awards:

RED CROSS WATER SAFETY INSTRUCTOR
YMCA INSTRUCTOR
ROYAL LIFE SAVING INSTRUCTOR

*Cost of course is \$20 per person, however it is hoped that the Safety Council will pay half the fee for St. Albert Residents.

*Any applicants 15 or 16 years of age with Red Cross Senior Leader or equivalent may take the course free of charge

*Adults interested in water safety and having some background are encouraged to take the course

*Those applicants needing only a refresher course to renew qualifications will be charged only \$2.00.

*Registration may be taken by phoning Pat Dobko at 599-7271. Fees payable at the first class.

*Car pools will be arranged if necessary.
